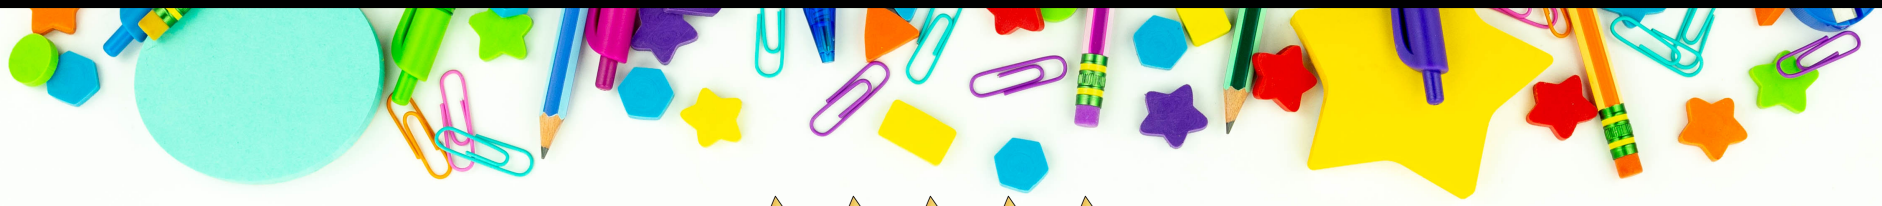
What teachers are saying...



This resource was very useful especially because we don't have social studies curriculum. It has it all in one place with lots of good information. I feel like my students came out knowing a lot more about our history and why we actually celebrate Thanksgiving. -Devon H.

I loved this resource so much because of the student workbook! I also bought the 13 Colonies version because it was so great! - Kate S.

This helped my students gain a deeper understanding of the concept of civil rights. It brings in vocabulary words and historic movements that had to be fought. My students loved this and it helped them to prepare for the information writing piece they would be creating on many civil rights activist. - Jennie C.

10 Days of Activities

Each unit includes ready-to-use, engaging daily lesson plans and a student workbook.

Print one booklet per student at the start of the unit to save prep time.

Each page aligns with the day's lesson and activities, including PowerPoint lessons, task cards, reading passages, and social studies research activities. Students use the booklet to connect ideas and reference their learning throughout the unit.
