**Directions.** Read ALL the numbered steps below before you begin. Make sure you read EVERY NUMBER CAREFULLY and do exactly what it says.

1. Put four stars in the corners of this paper.
2. Use a different color for each star.
3. Write your first name in the middle of the paper.
4. Use the back of the paper to do number 3.
5. Underline your name two times.
6. Circle the second to last letter of your name.
7. Write the alphabet below your name.
8. Use capital letters.
9. Write numbers 1-10 above your name.
10. Use your favorite color to write the numbers.
11. Draw an ice-cream cone in the bottom right corner.
12. Don't do any of these things. Put down your pencil and quietly wait for others to finish.
