

DIVISION FACTS

Match the division fact with the correct answer.
Record the complete fact in your recording book.

$$42 \div 6 =$$

$$12 \div 4 =$$

WORD PROBLEM E

Kevin is bringing granola bars to school to share with his class. There are 21 kids in his class and there are 7 bars in each box. How many boxes should Kevin bring so that each student gets one bar?

Center 2

_____'s DIVISION MATH CENTERS

FACT FAMILIES

Write the 4 math facts that make up the fact family for each set of numbers.

4, 9, 36

3, 5, 15

STRATEGIES

Complete each of the tasks in order. Record your answers in your book.

CARD 1

Solve $21 \div 3$ using an array.

CARD 2

Solve $21 \div 3$ using an equal group drawing.

Center 7

MATH JOURNAL

Read the question carefully.
Use words, numbers and
pictures to show your answer.

Mrs. Sears has 24 students that
she wants to put into 4 equal
groups. How many students will
be in each of the groups?
Explain the strategy that
you used to solve.

Center 1

1 MATH JOURNAL

Blank space for writing the answer to the math problem.

Five horizontal lines for writing the answer to the math problem.

A constructive response math journal prompt is included. The question asks students to use a picture and explain the reasoning for their answer.

ARRAYS

Match the equations with the correct array. Solve the equations. Record in your book. Include a drawing of the array.

Center 6

6

5

8

MISSING NUMBERS

Match the equation with the missing number that makes the equation true. Record in your book.

Center 8

A.

$$36 \div \underline{\quad} = 4$$

B.

$$48 \div \underline{\quad} = 6$$

C.

$$25 \div \underline{\quad} = 5$$

9 RELATED FACTS

Division Fact

Related Multiplication Fact

RELATED FACTS

Match the division fact to its related multiplication fact. Solve for the unknown and record in your book.

$$40 \div 5 = \underline{\quad}$$

$$5 \times \underline{\quad} = 40$$

$$28 \div 4 = \underline{\quad}$$

$$7 \times \underline{\quad} = 28$$

Each center has a fun and engaging way for students to review their math skills

8 MISSING NUMBERS

6

7

8

MISSING NUMBERS

Match the equation with the missing number that makes the equation true. Record in your book.

Center 8

D. $54 \div \underline{\quad} = 9$

E. $72 \div \underline{\quad} = 8$

F. $24 \div \underline{\quad} = 6$

9 RELATED FACTS

Division Fact

Related Multiplication Fact

RELATED FACTS

Match the division fact to its related multiplication fact. Solve for the unknown and record.

$20 \div 4 = \underline{\quad}$

$4 \times \underline{\quad} = 20$

$100 \div 10 = \underline{\quad}$

$10 \times \underline{\quad} = 100$

Black and white versions of each center also included
