THANKSGIVING DINNER

The Mayflower family is getting together for Thanksgiving dinner. They need your help to make Thanksgiving dinner a success.

Your job is to make sure each person gets a complete

Thanksgiving dinner. This means each person gets a drink, an appetizer, an entree, two sides, and a dessert.

You will also need to make sure that you are staying under your budget of \$60.

DIFFERENTIATION

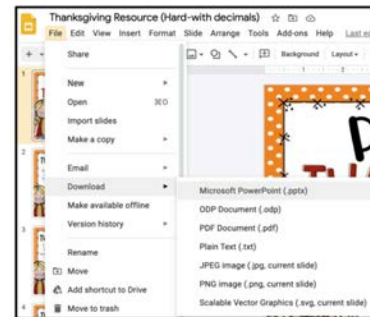

There are 4 different student directions options. They are all very similar. If you are choosing to have your students plan for a family of 6, then be sure to have the budget at \$80. Planning for the family of 4 will only need \$60. If you are choosing to use the food likes and dislikes page, then be sure to choose the direction that mentions them.
