Fact Families for Making 10 .....	39
Repeated Addition Flaps .....	43
Making Arrays Flaps .....	47
Repeated Addition Word Problem Flaps .....	51
Sums of Doubles Flaps .....	55

Table of Contents with each activity listed for quick reference.

## ADDITION WORD PROBLEMS

Solve the addition problem and show your work under each flap.

Danika has 62 red jellybeans and 31 green jellybeans. How many jellybeans does she have all together?

Kyler played video games for 48 minutes on Saturday and 21 minutes on Sunday. How many minutes did he play video games over the weekend?

The home basketball team scored 33 points. The visiting team scored 15 points. How many points were scored in total during the game?

DIARY OF A  
**NOT** so  
wimpy  
teacher

A great tool for practicing new skills and assessing mastered skills.

## ADDING TWO-DIGIT NUMBERS (WITHOUT REGROUPING)

Solve the problem and show your work under the flap.

$$\begin{array}{r} 22 \\ +35 \\ \hline \end{array}$$

$$\begin{array}{r} 65 \\ +34 \\ \hline \end{array}$$

$$\begin{array}{r} 53 \\ +46 \\ \hline \end{array}$$

$$\begin{array}{r} 71 \\ +18 \\ \hline \end{array}$$

$$\begin{array}{r} 6 \\ +20 \\ \hline \end{array}$$

$$\begin{array}{r} 20 \\ +59 \\ \hline \end{array}$$

SEARCHING FOR THE NOT SO WIMPY Teacher

Super-simple cuts and no unnecessary coloring.

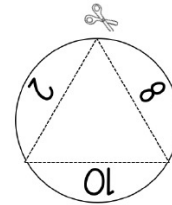

## FACT FAMILIES FOR MAKING 10

- Each student will need one "fact families" title strip and one page of the fact family circles.

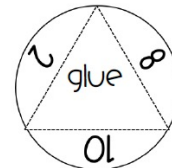

- Cut out the rectangular title.

FACT FAMILIES FOR MAKING 10

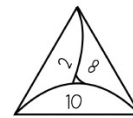

- Next, cut out each of the fact family circles.

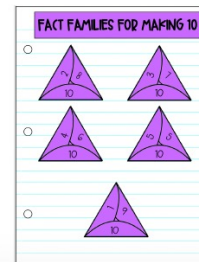

- Then, put glue on the middle triangle. Be careful to not get glue on the flaps with the numbers.

- After the circles have been glued down, fold the numbers in on the dotted line so that your shape now looks like a triangle.

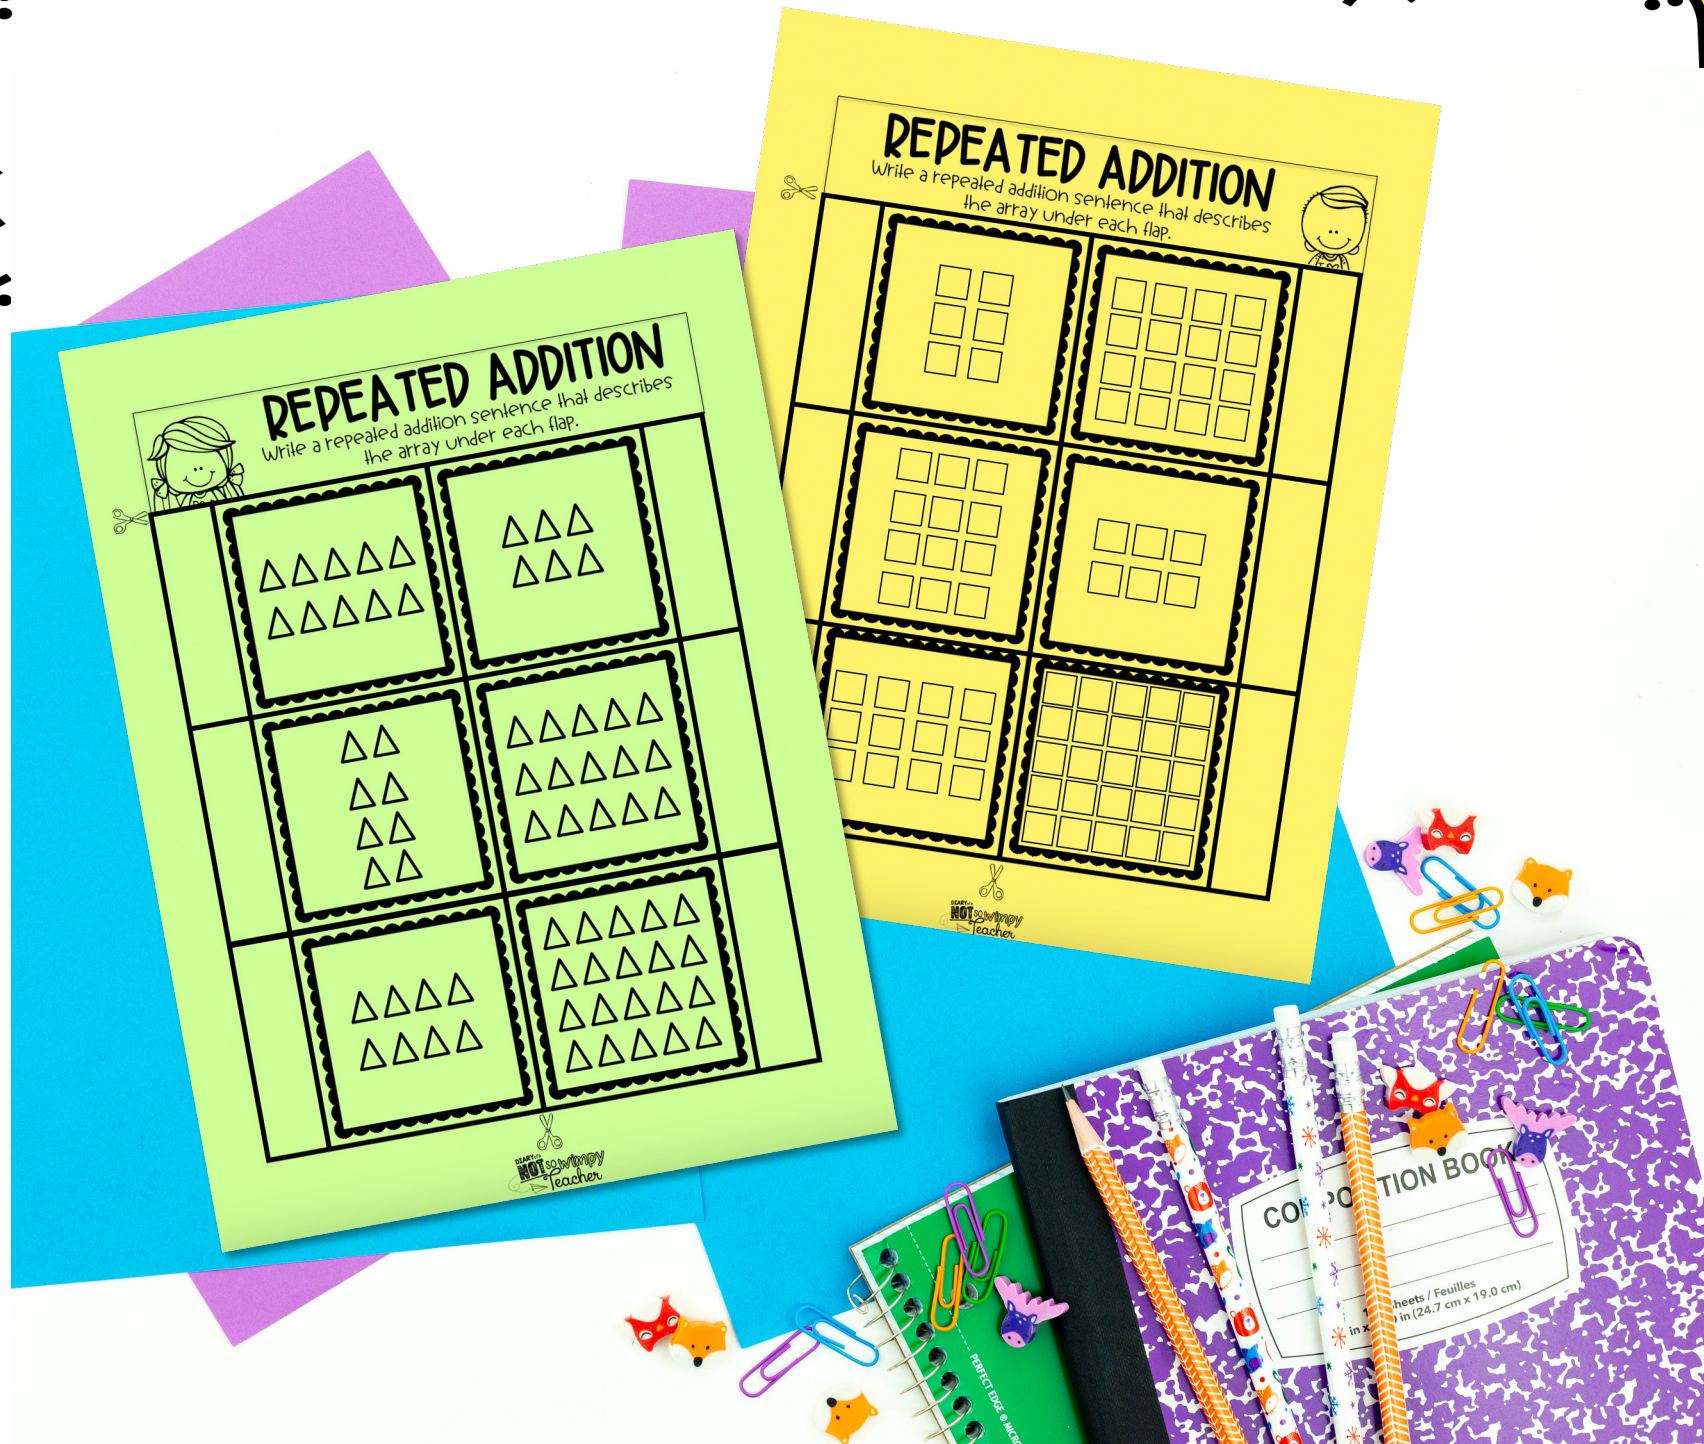

- Students will unfold the flaps to write the fact family using the outside numbers and then can fold flaps back in when finished.

Detailed cutting and gluing directions for each activity page.

Multiple versions of most activities allow for differentiation.

Activity answer keys included for easy checking.
