NOT a Swirly Teacher

A great tool for practicing new skills and assessing mastered skills.

Super-simple cuts and no unnecessary coloring.

ADDITION WORD PROBLEM FLAPS

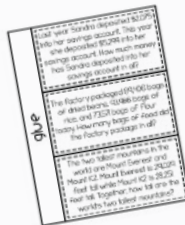

- Each student will need one page of flaps. Multiple templates are included to allow for differentiation.

- Cut out the large rectangle containing the 3 flaps.

- Carefully cut between each flap, being sure to stop before the title strip on the left.

- Apply glue to the underside of the "Addition Word Problems" title strip.

- The "Addition Word Problems" title strip should be glued to the notebook page so that each of the 3 flaps open to the left.

ADDITION & SUBTRACTION VOCABULARY PUZZLES

Each student will need a half page containing the pocket and a full page for the puzzle pieces.

Glue the pocket, being careful to cut around the "Add and Glue Here" flaps.

Glue the puzzle pieces into the pocket flaps labeled "Addition" and "Subtraction". Then, fold the flaps back, covering the puzzle pieces.

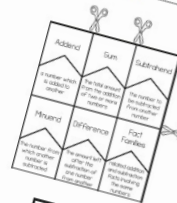

Glue the puzzle pieces to the notebook so that the puzzle pieces can be used to solve the problems.

Use the puzzle pieces containing the puzzle pieces to solve the problems. Cut the puzzle pieces down and horizontally to get the puzzle pieces.

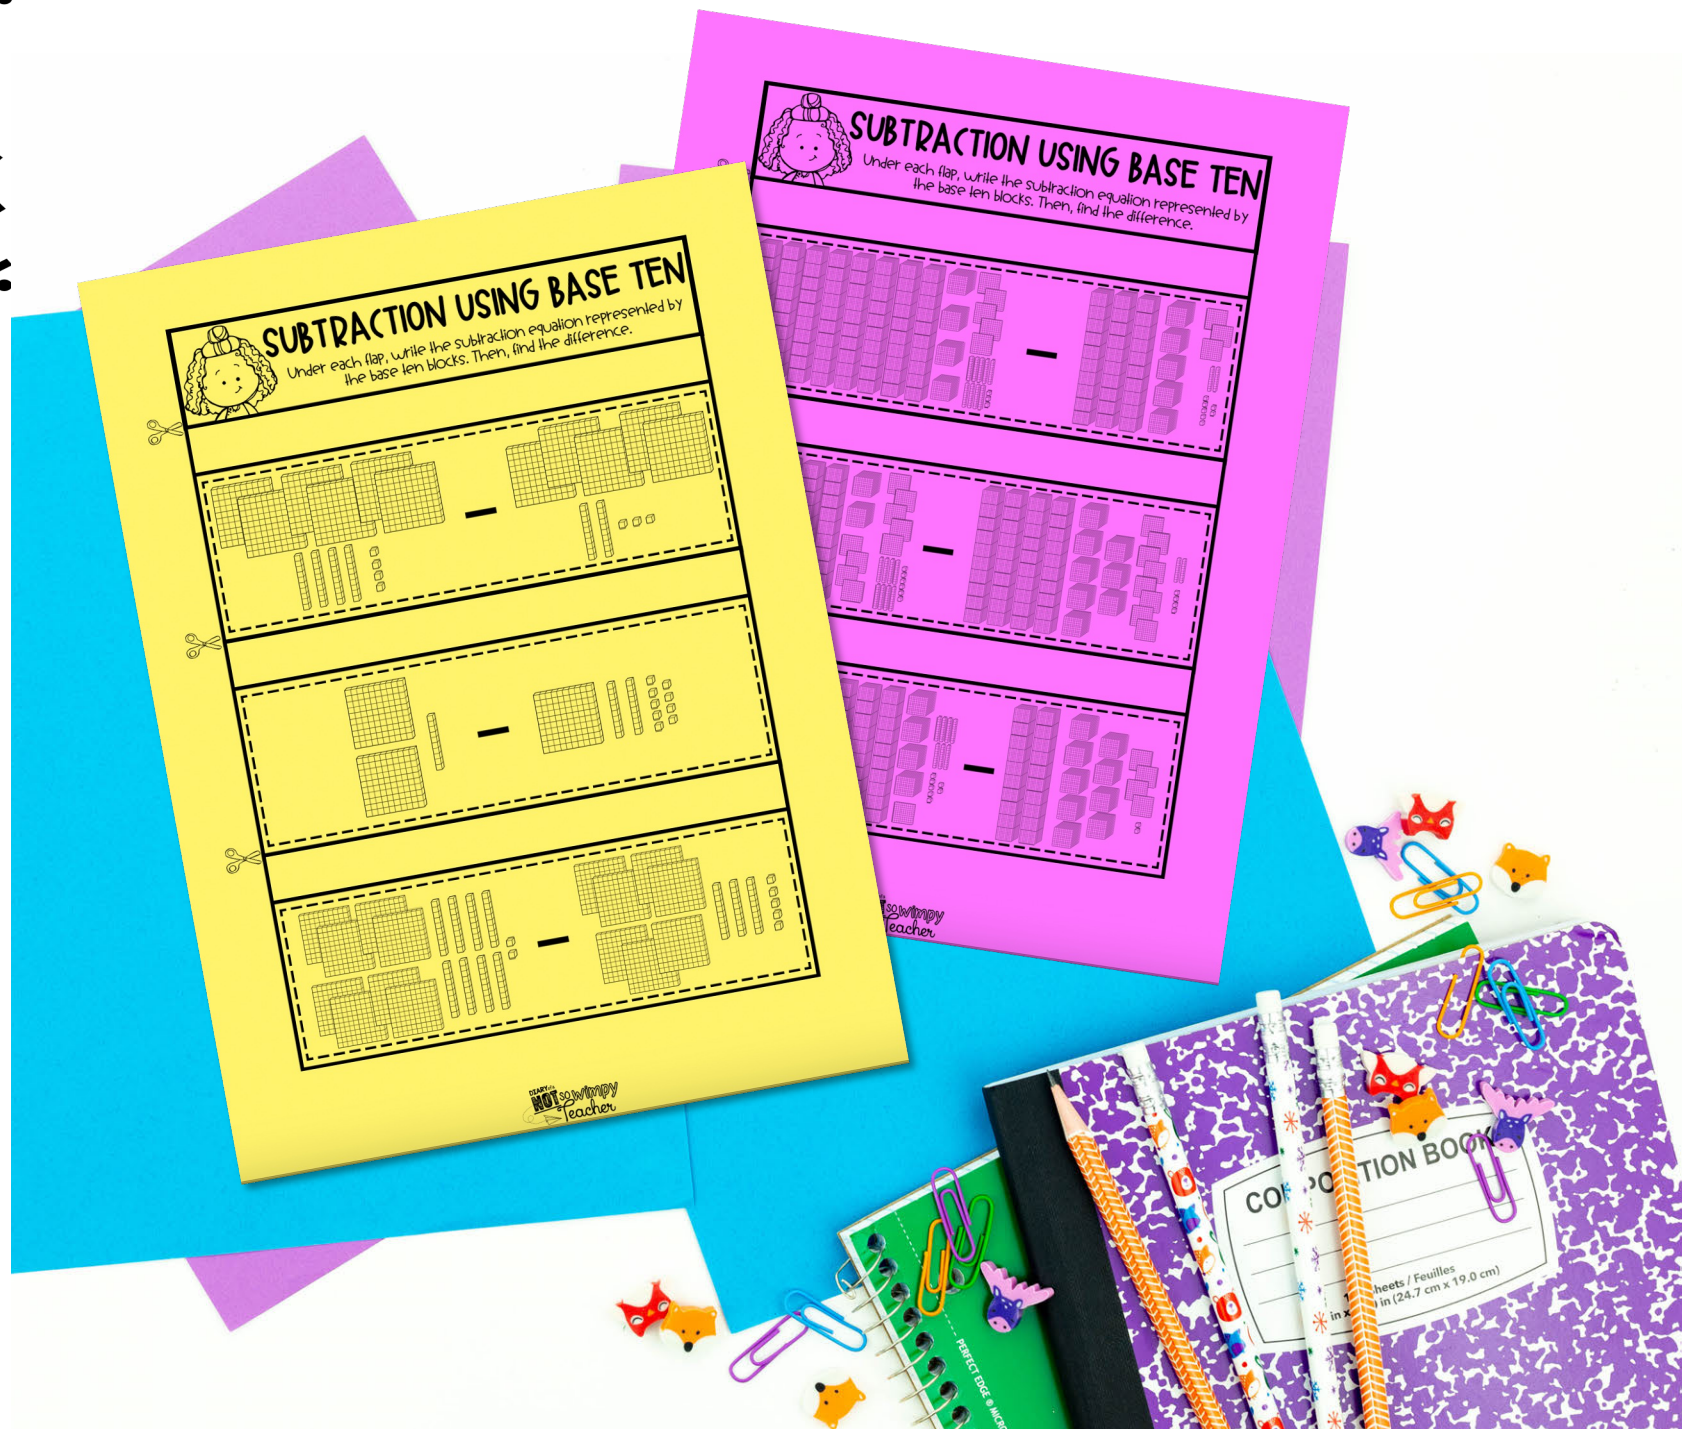

Use the puzzle pieces to solve the problems. Cut the puzzle pieces apart to get the puzzle pieces.
