10 Days of Activities

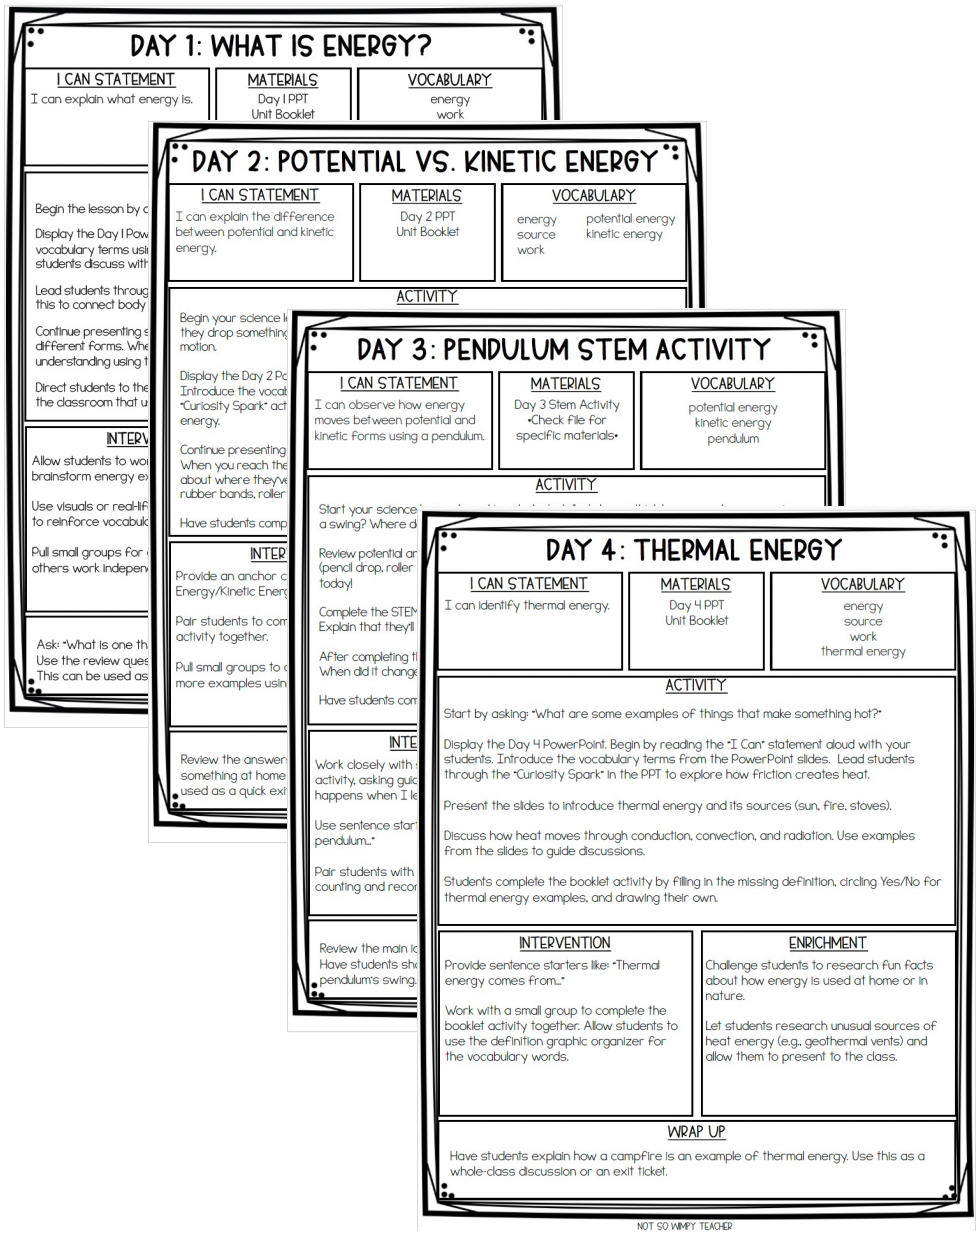

This unit includes five instructional PowerPoints that teach the concept.

Students will practice the skill using guided booklets, reading passages, energy stations, and task cards.

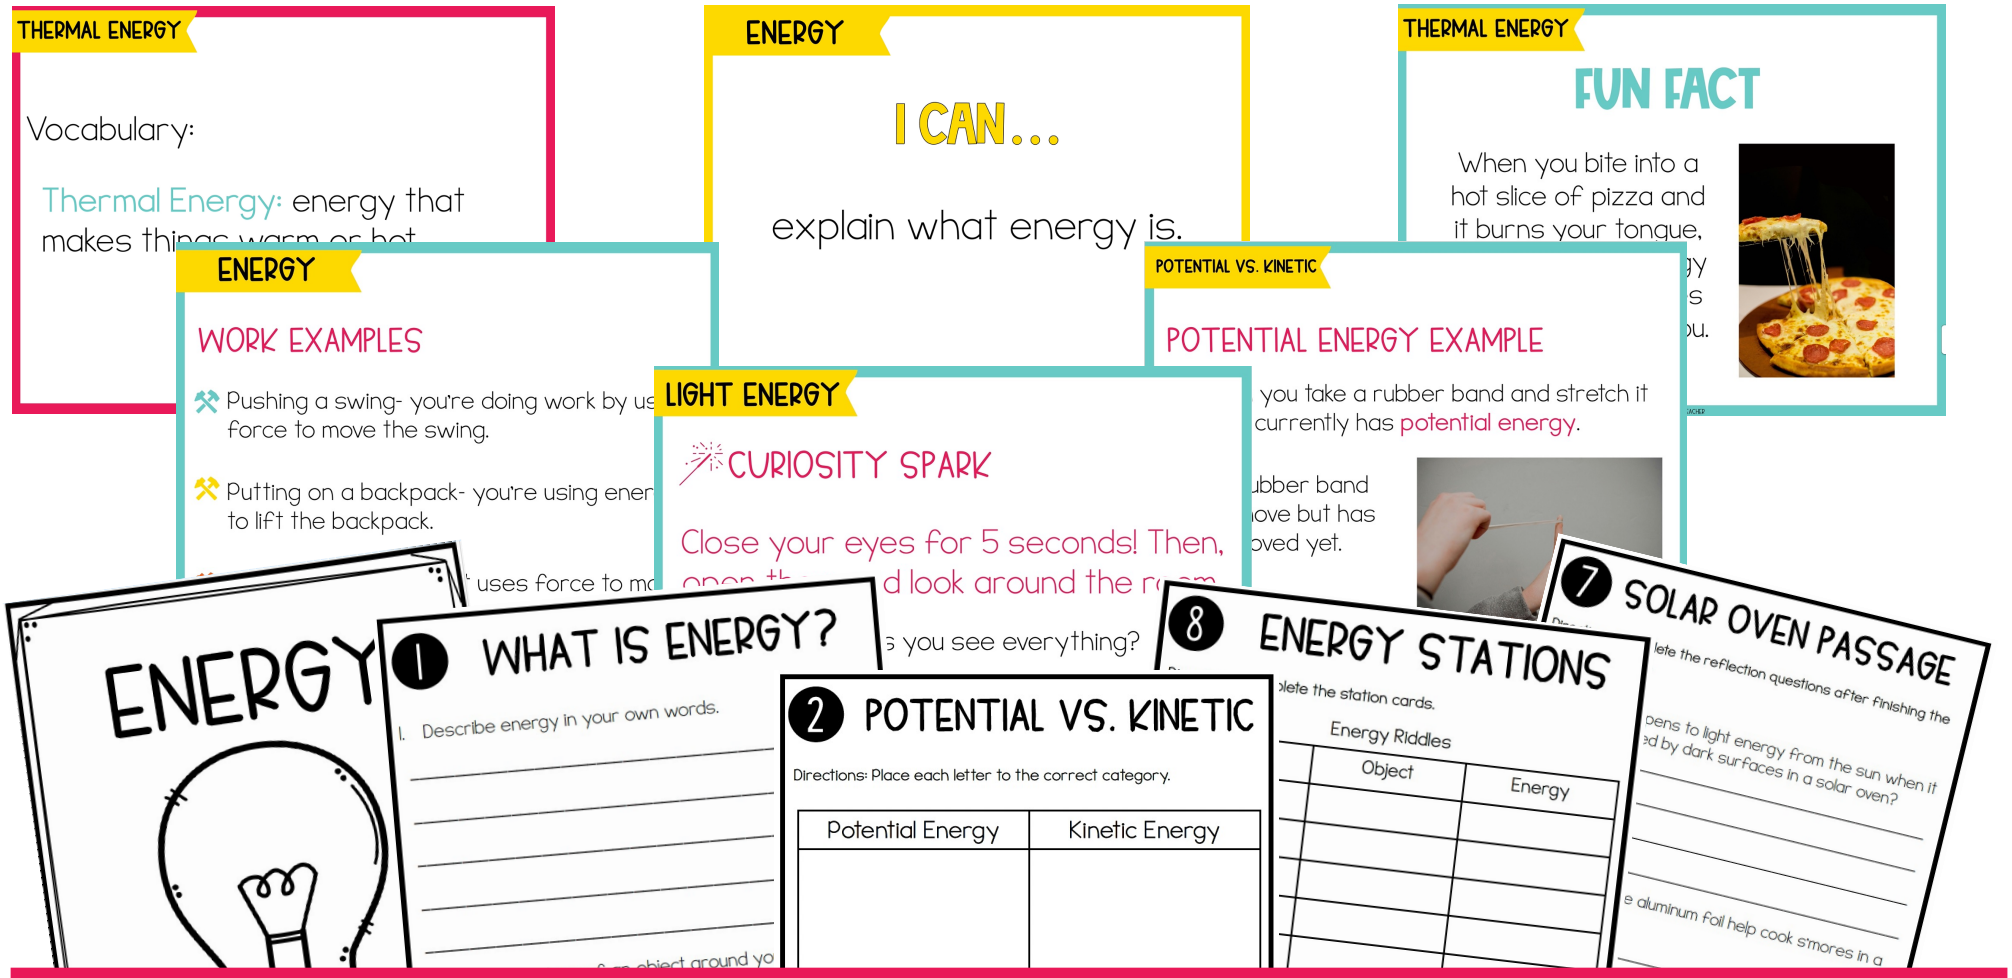

Vocabulary cards for student reference.

Optional enrichment activity.

Included unit assessment.

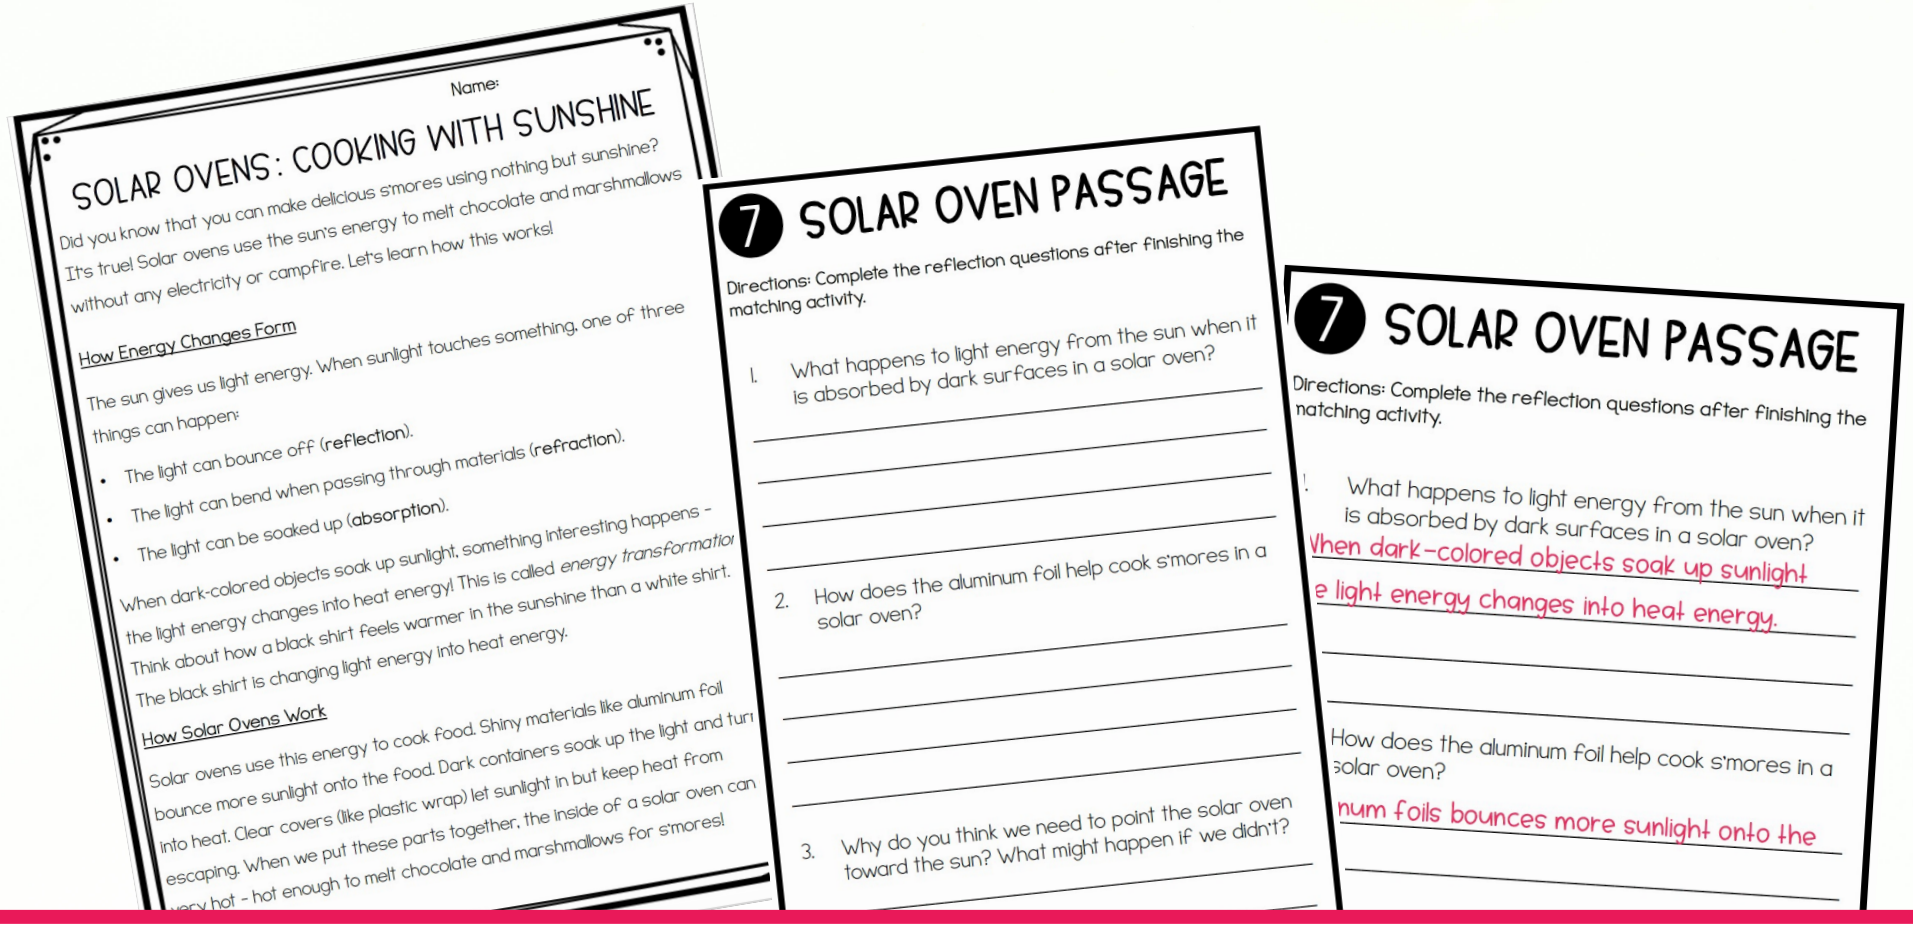

PowerPoint Lessons

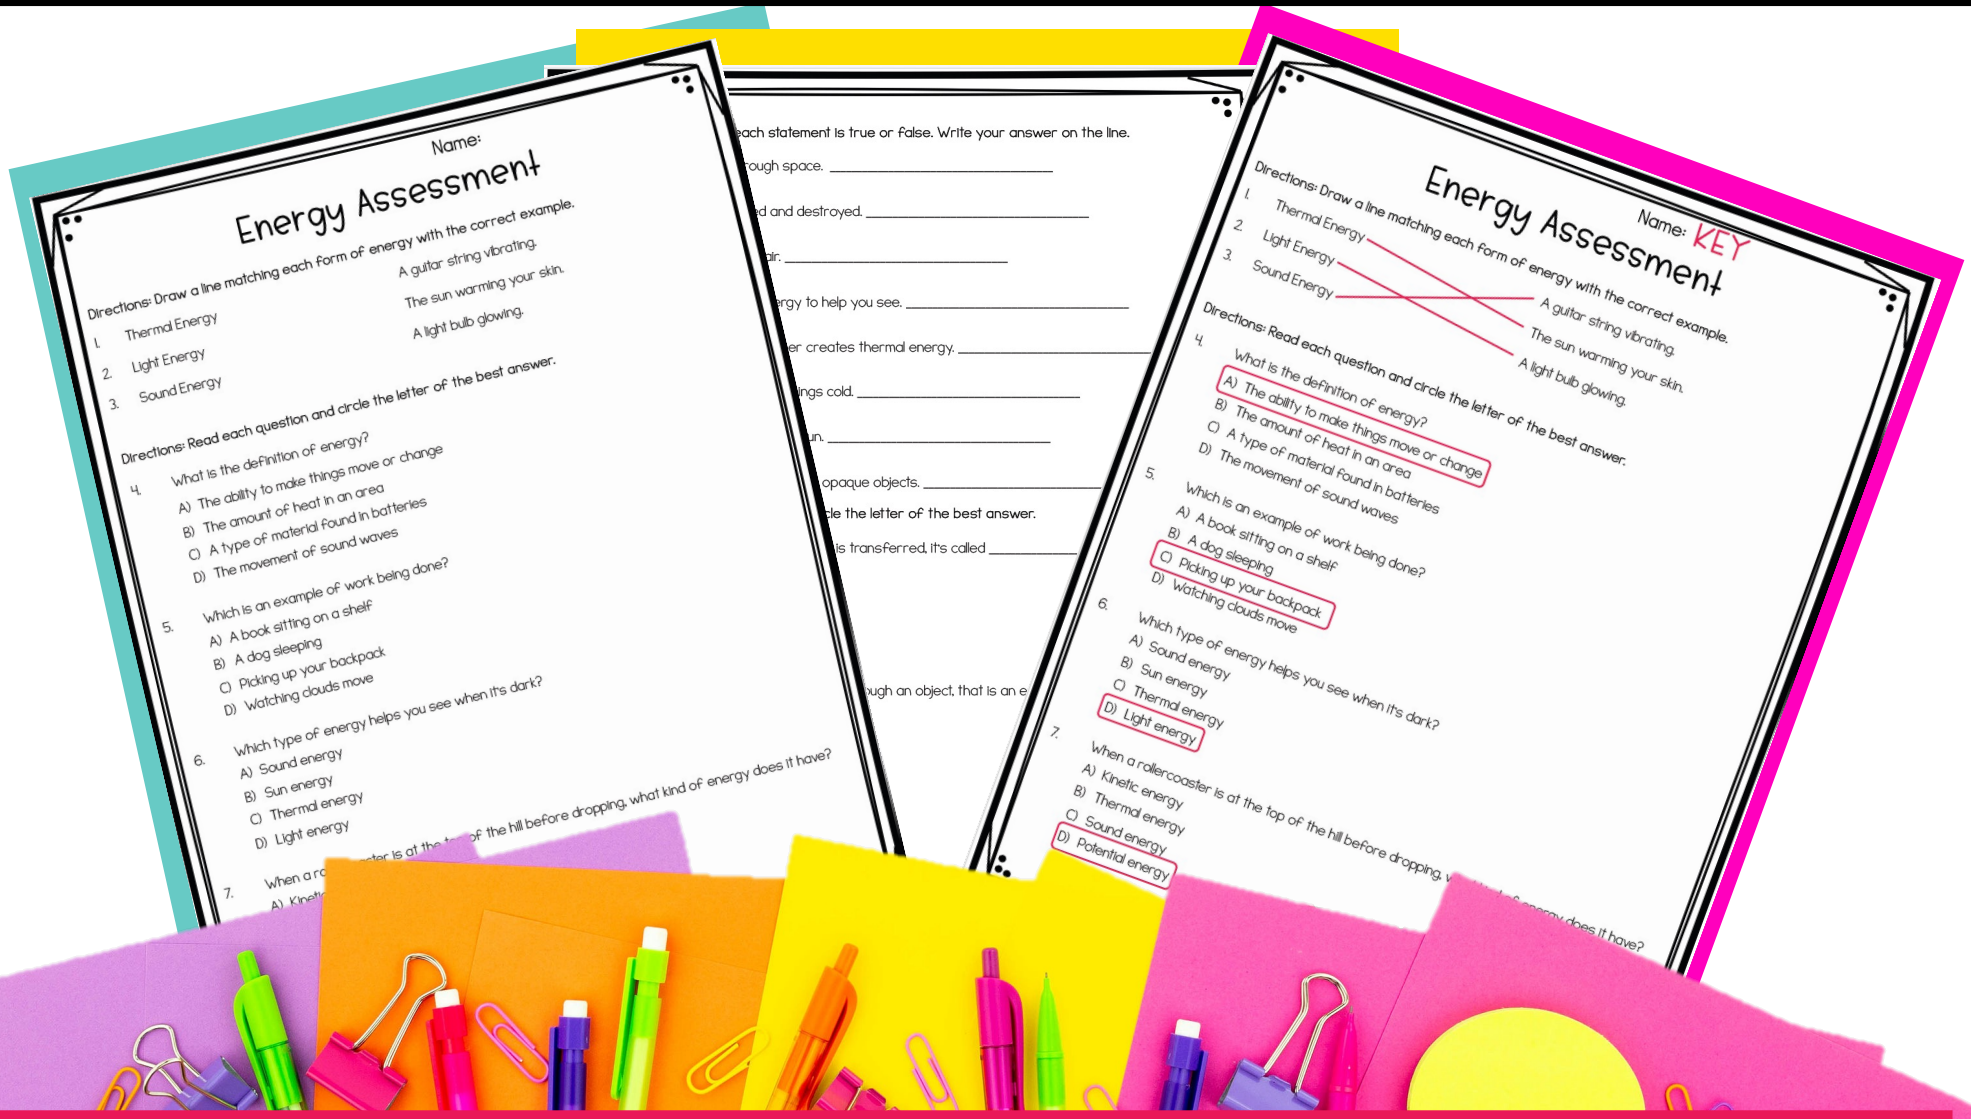

Each lesson is designed to be taught in 30 minutes, with all student work completed in their booklets. You can choose to take a daily grade, completion grade, or grade for accuracy.

Reading Passages

Reading passages allow students to take a closer look at the concept and practice reading comprehension skills.

Assessment

A standards-aligned unit assessment is provided to evaluate students' understanding.
