Word Problems

STEP 4:
WRITE
Write your answer in a complete sentence.

Gulla bought 45 tickets for rides at the fair. She rode the swings for 12 tickets and the bumper cars for 24 tickets. How many tickets does she have left?

Ride 1:
12

Ride 2:
24

12

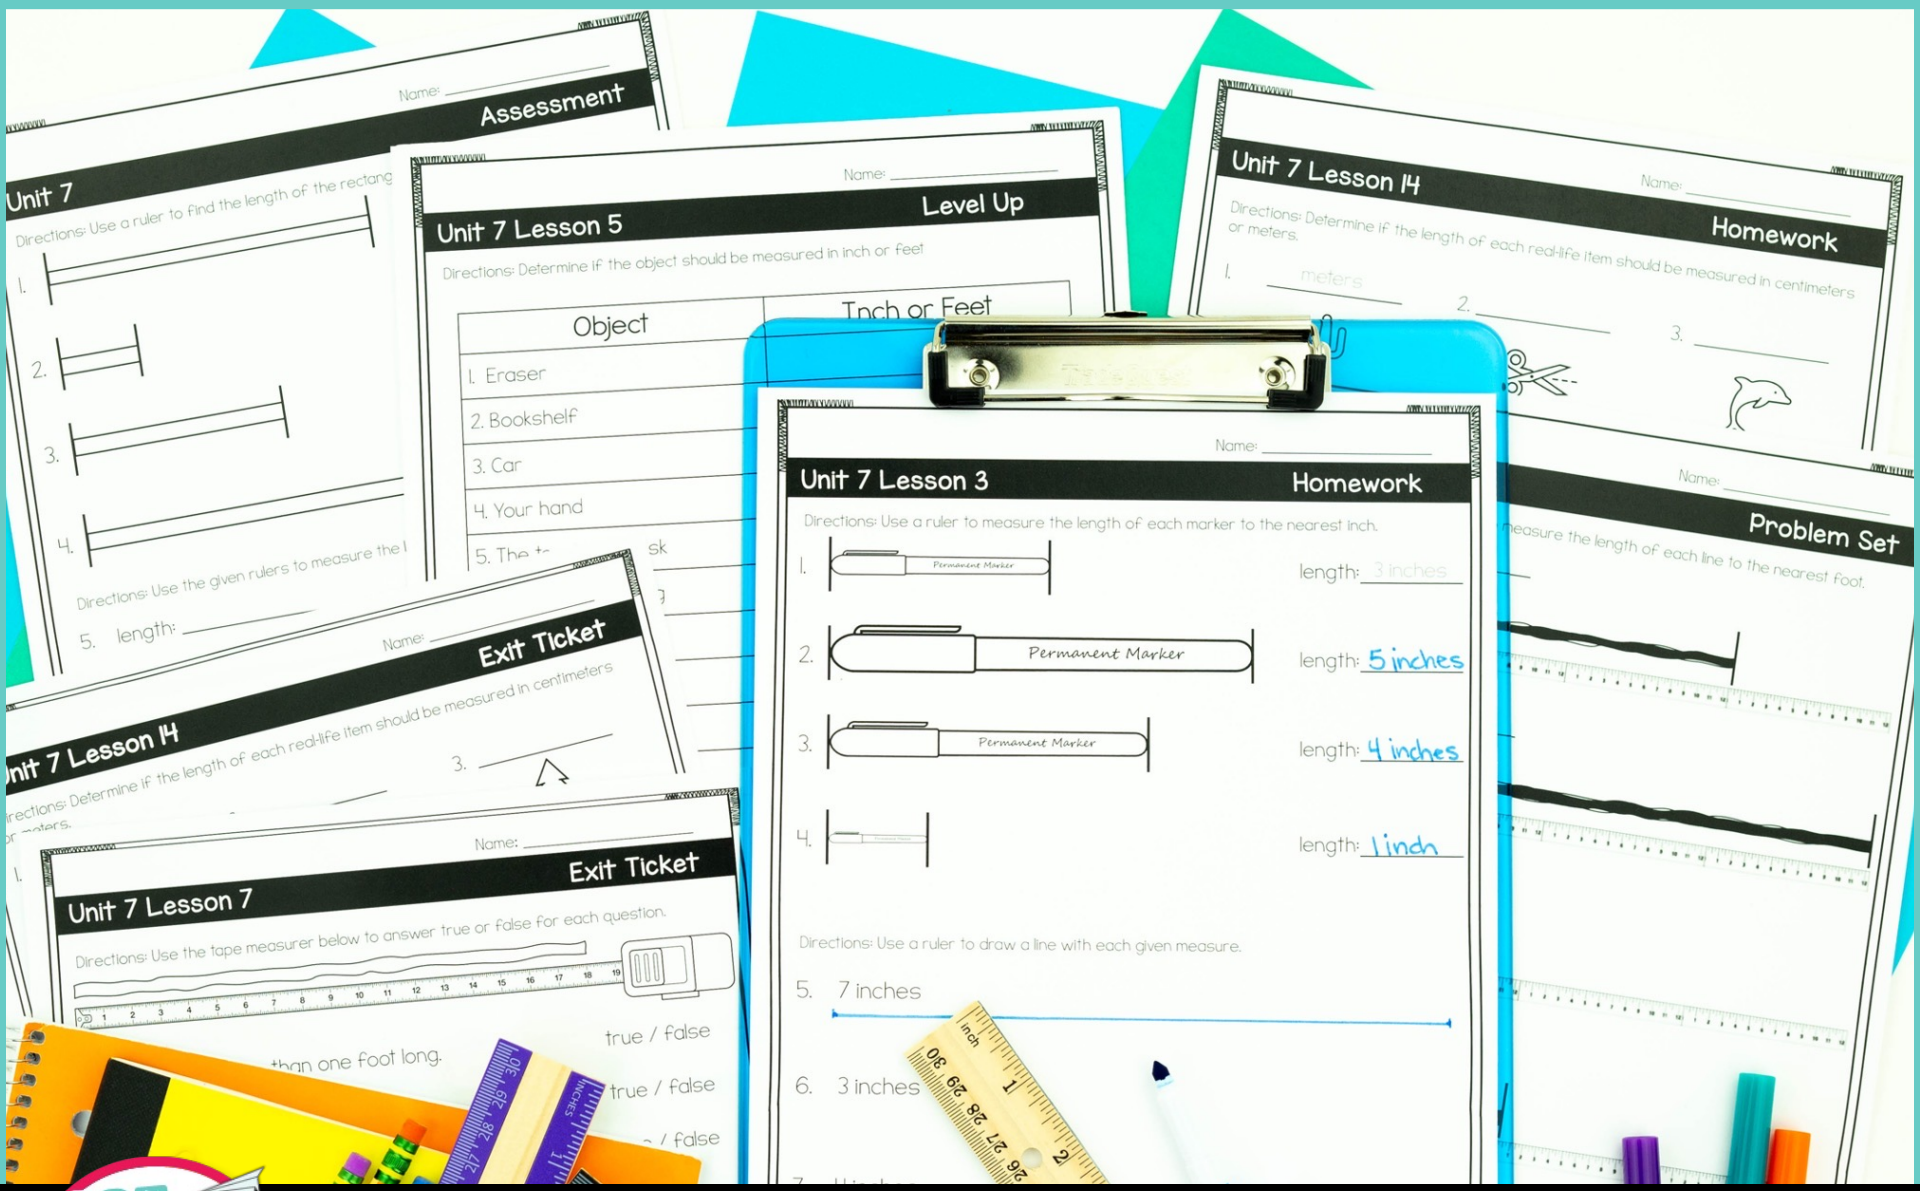

45 - 36 = tickets left

3 15
~~45~~
-36

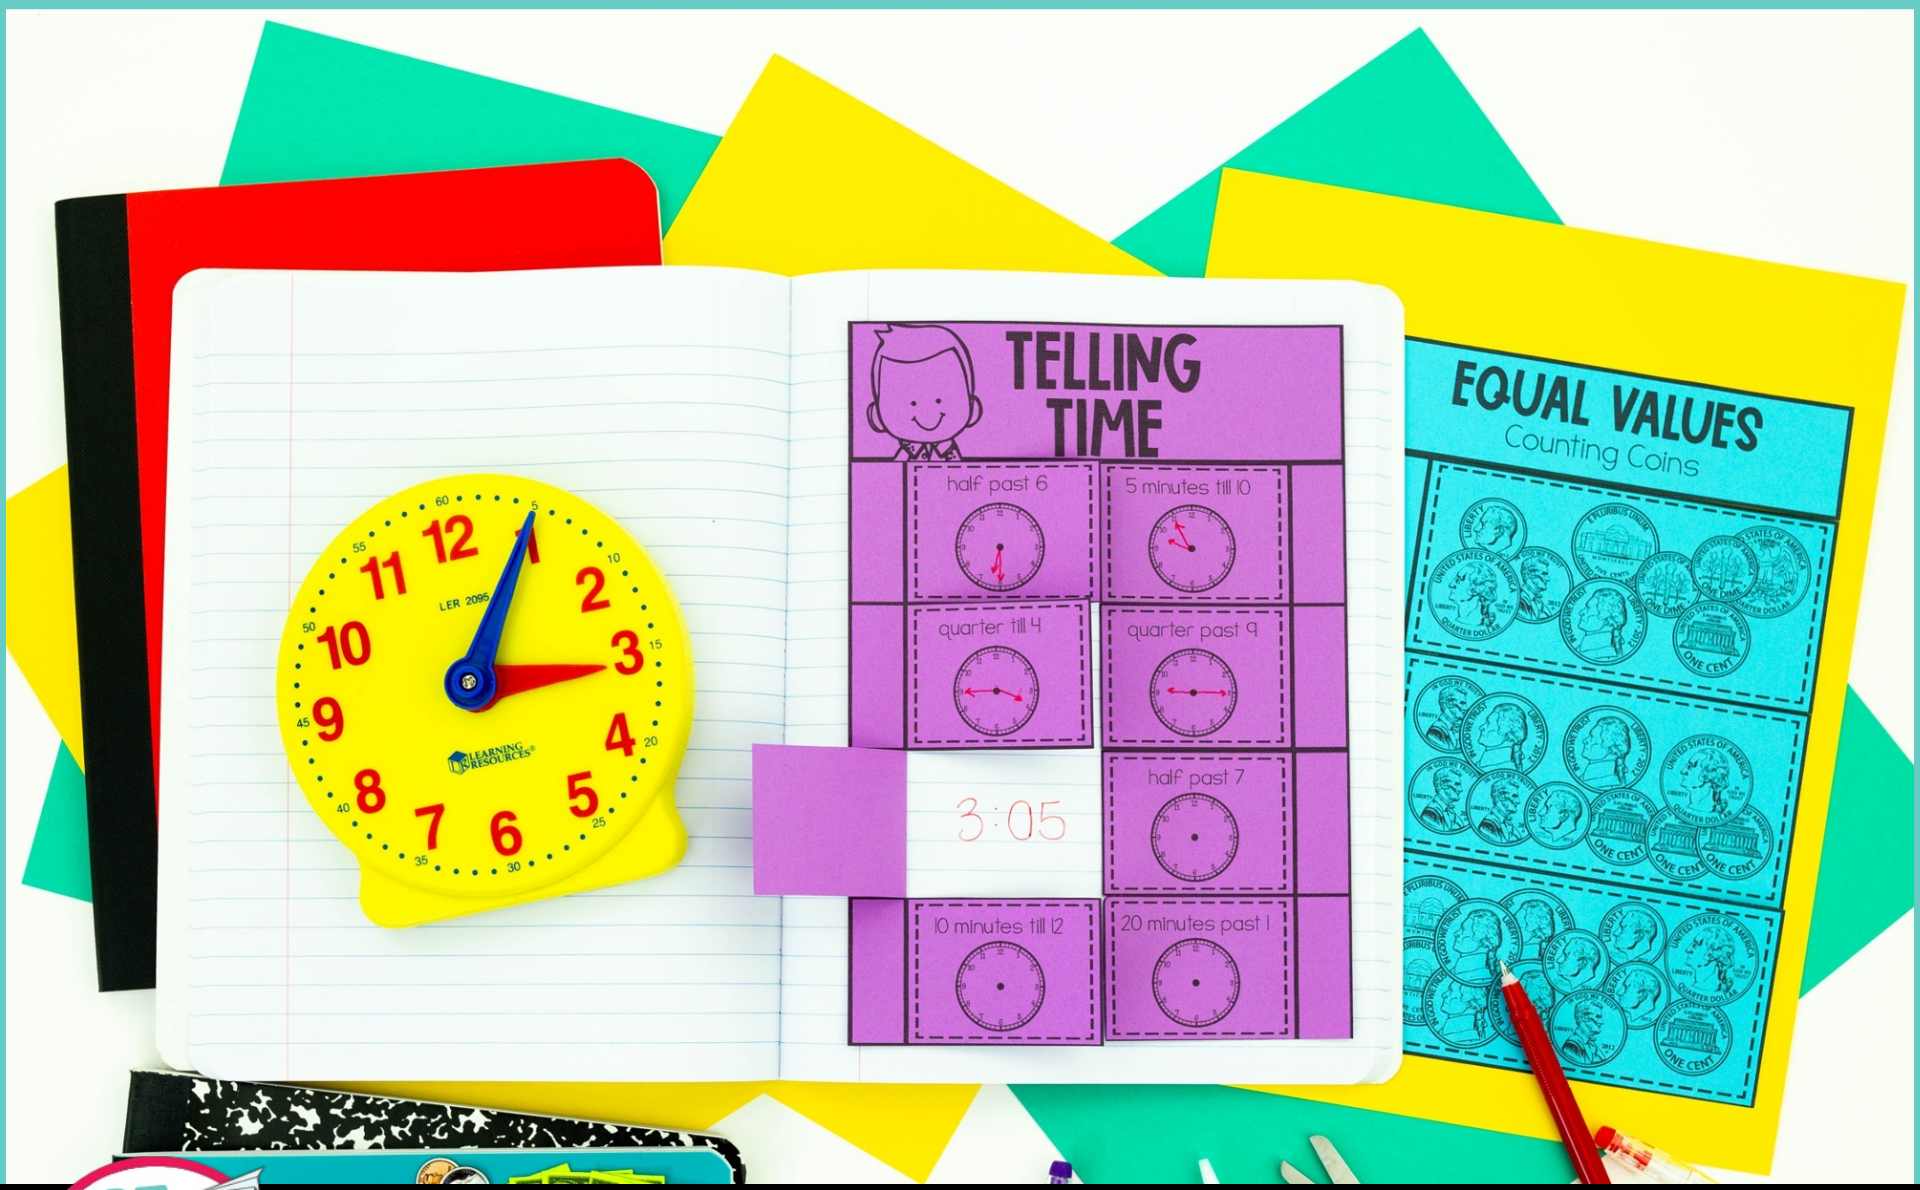

She has 9 tickets left.

Deliver great lessons with step-by-step PowerPoints for teaching math skills.

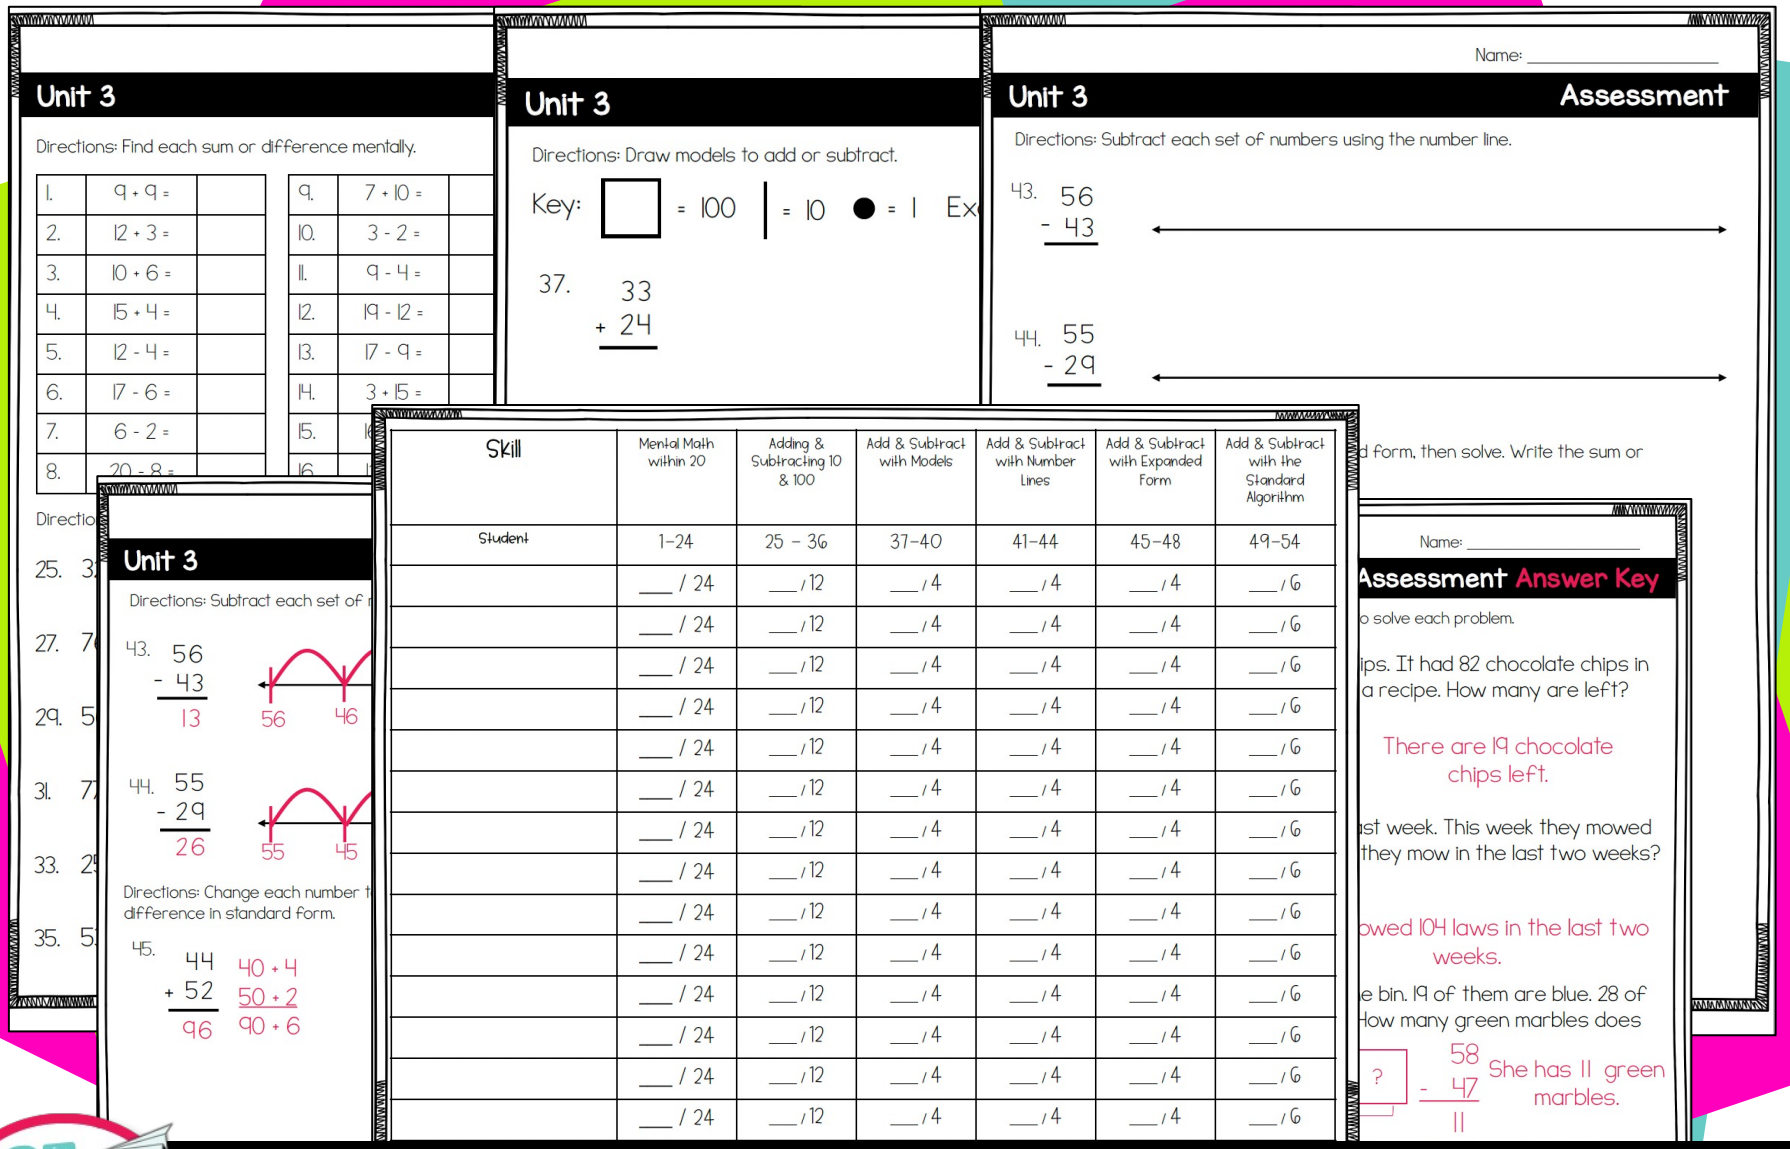

Includes problem sets, homework, and exit tickets for each day.

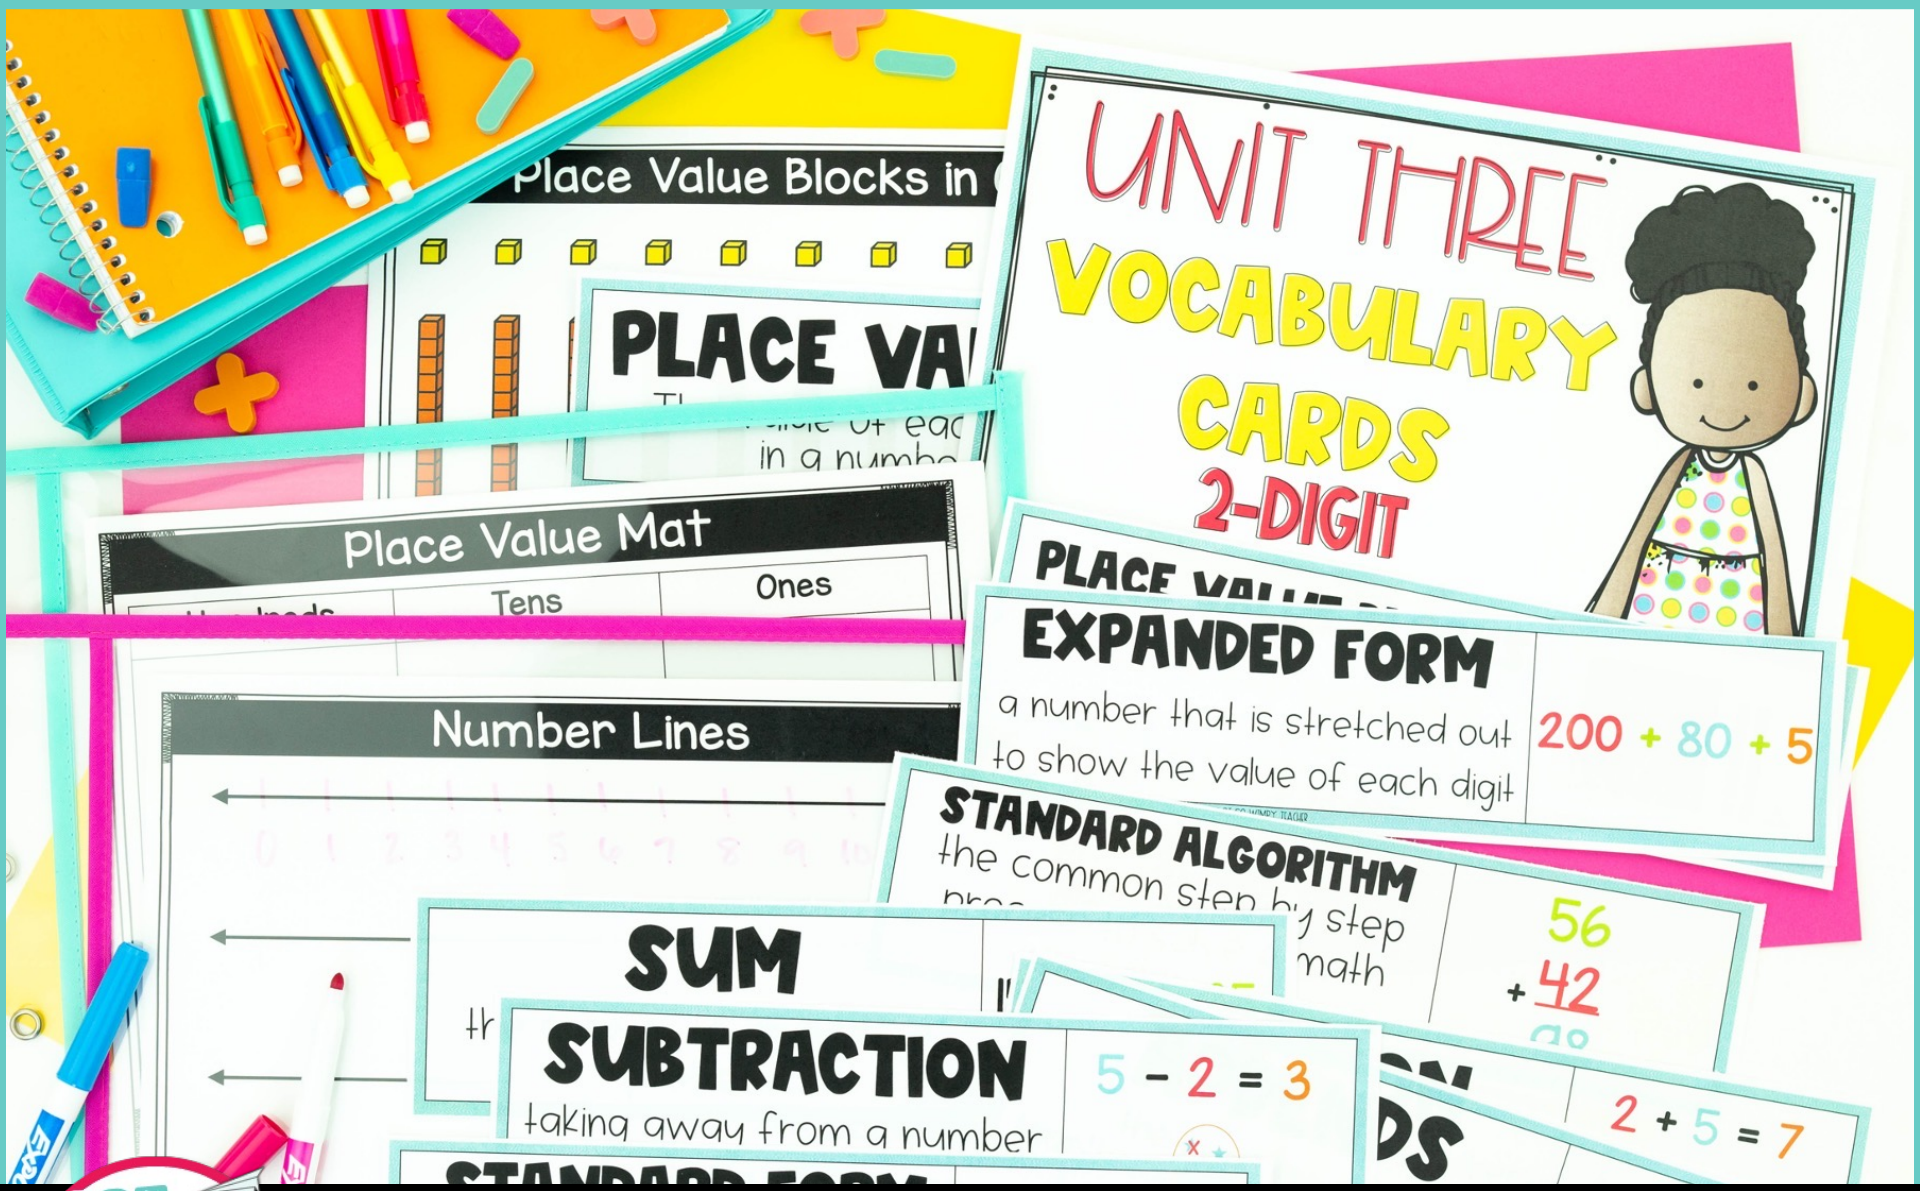

Not So Wimpy Teacher

Get hands-on with interactive notebooks!

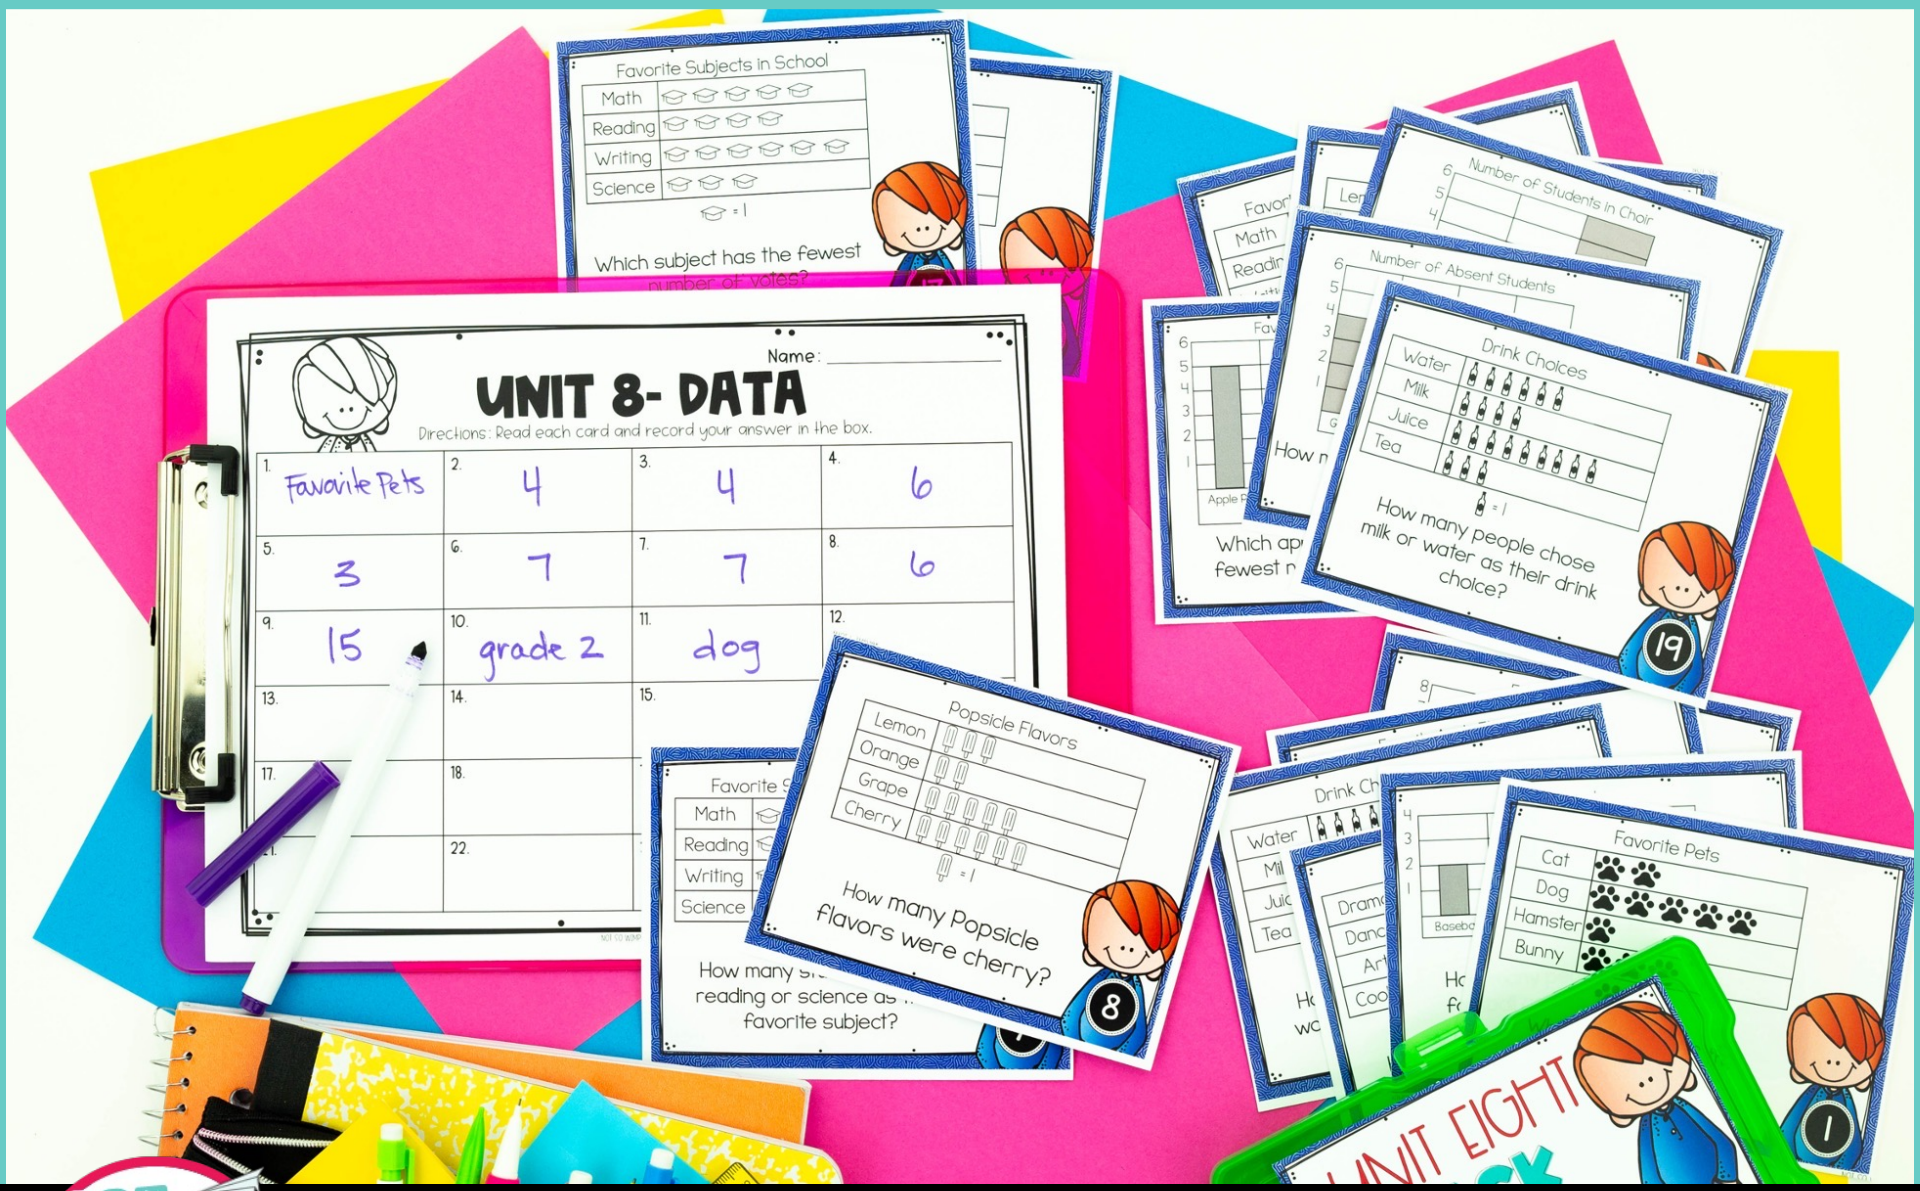

Track student progress with pre- & post-assessments and recording sheet.

Not So Wimpy Teacher

Cement learned skills with the included vocabulary cards, anchor charts, and tools.

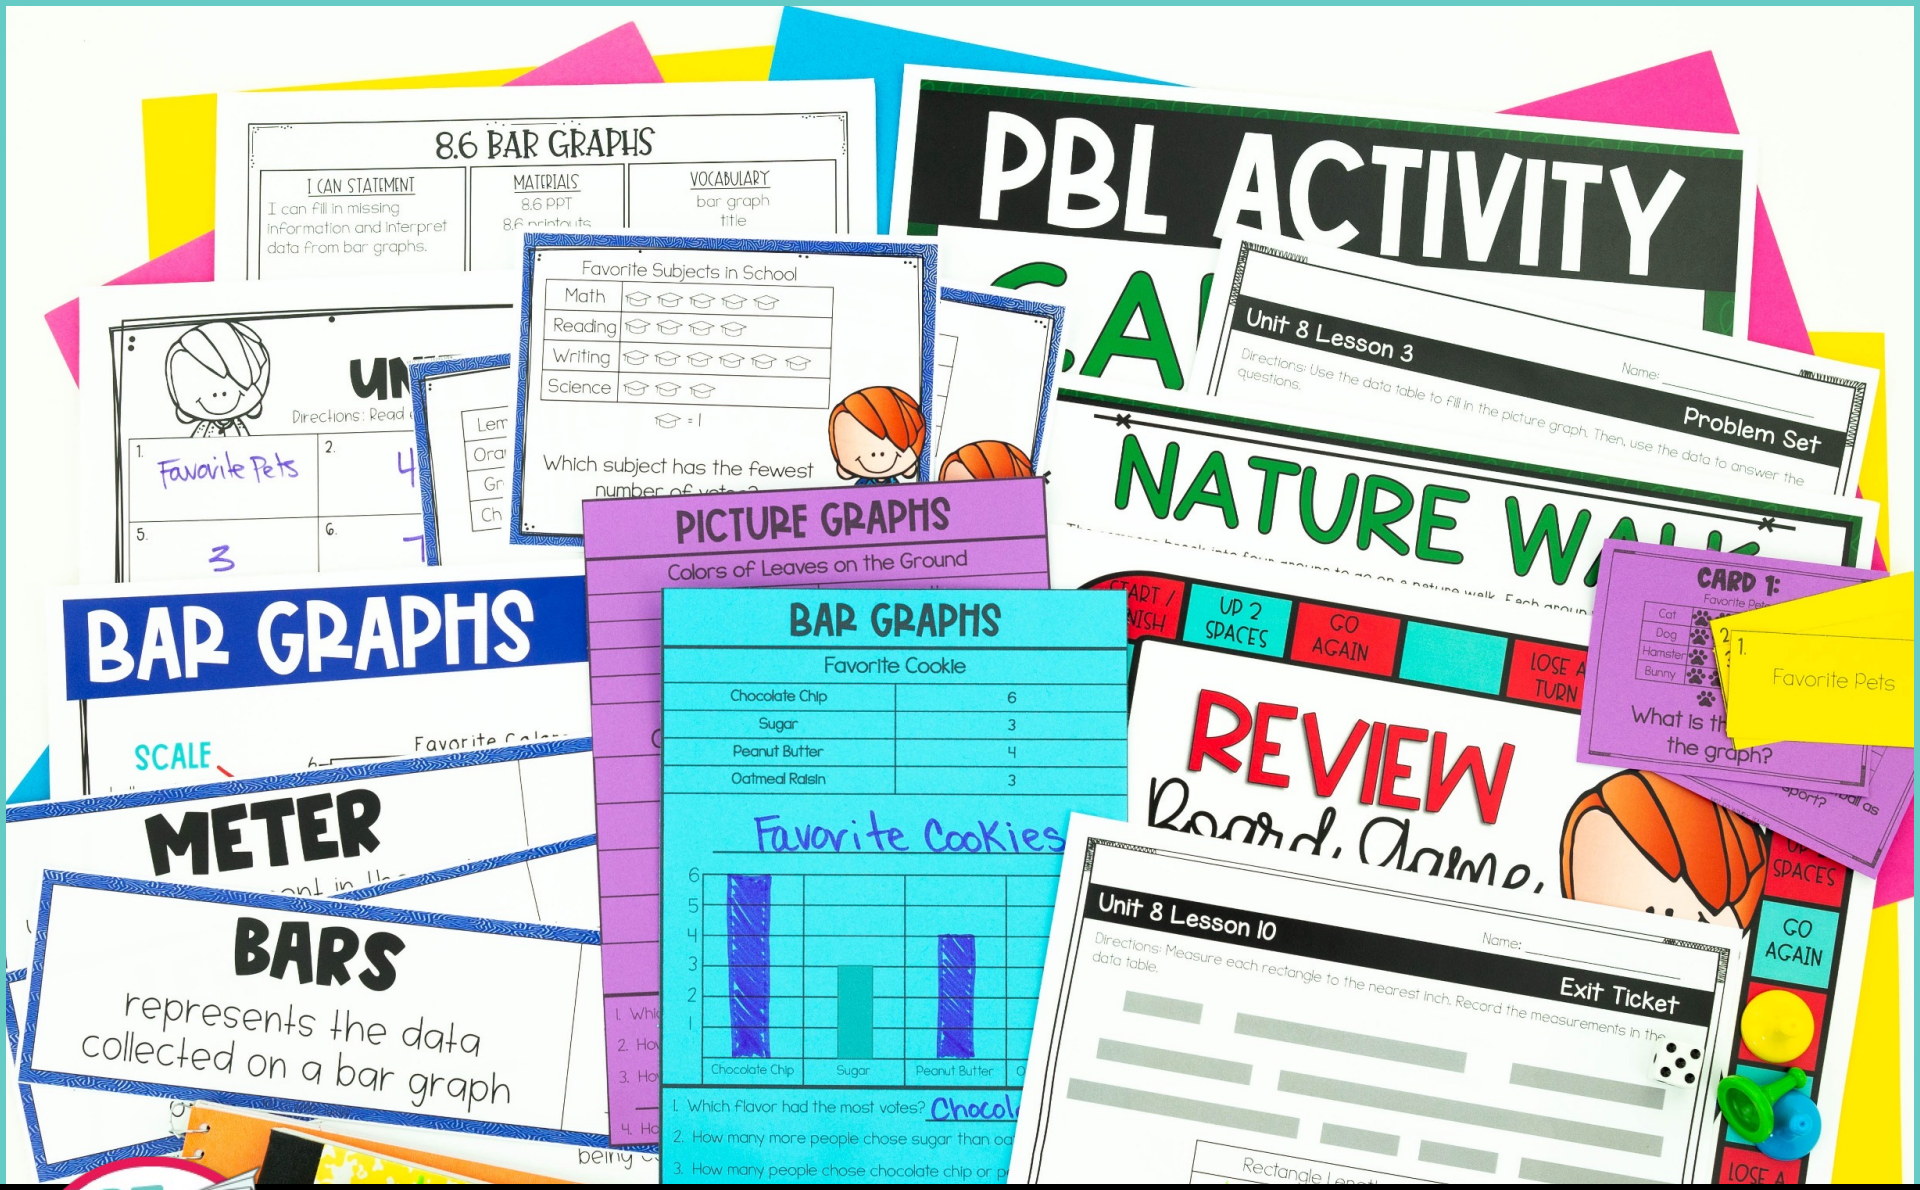

Keep students engaged and excited to practice with board games and task cards.

Not So Wimpy Teacher

Includes special project-based learning activities with real-world challenges.

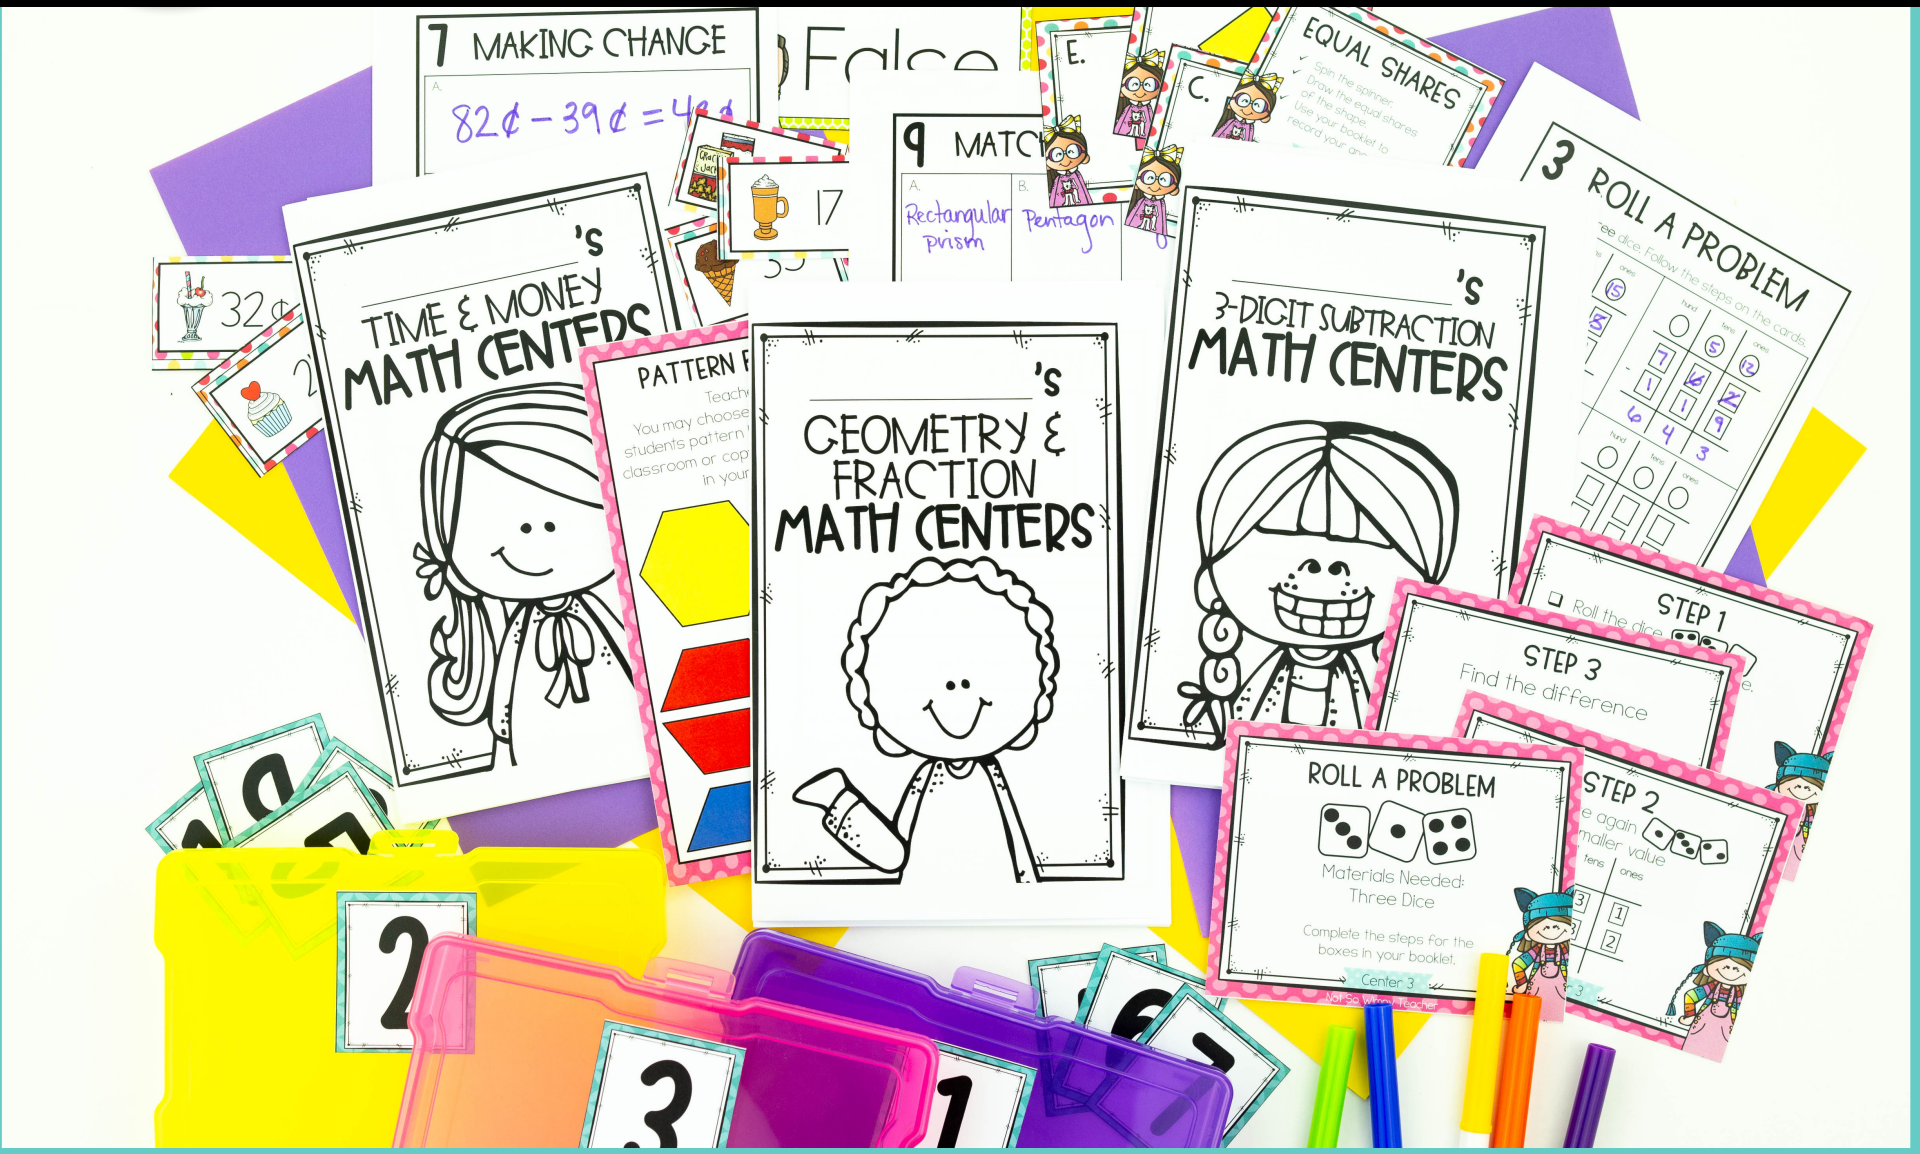

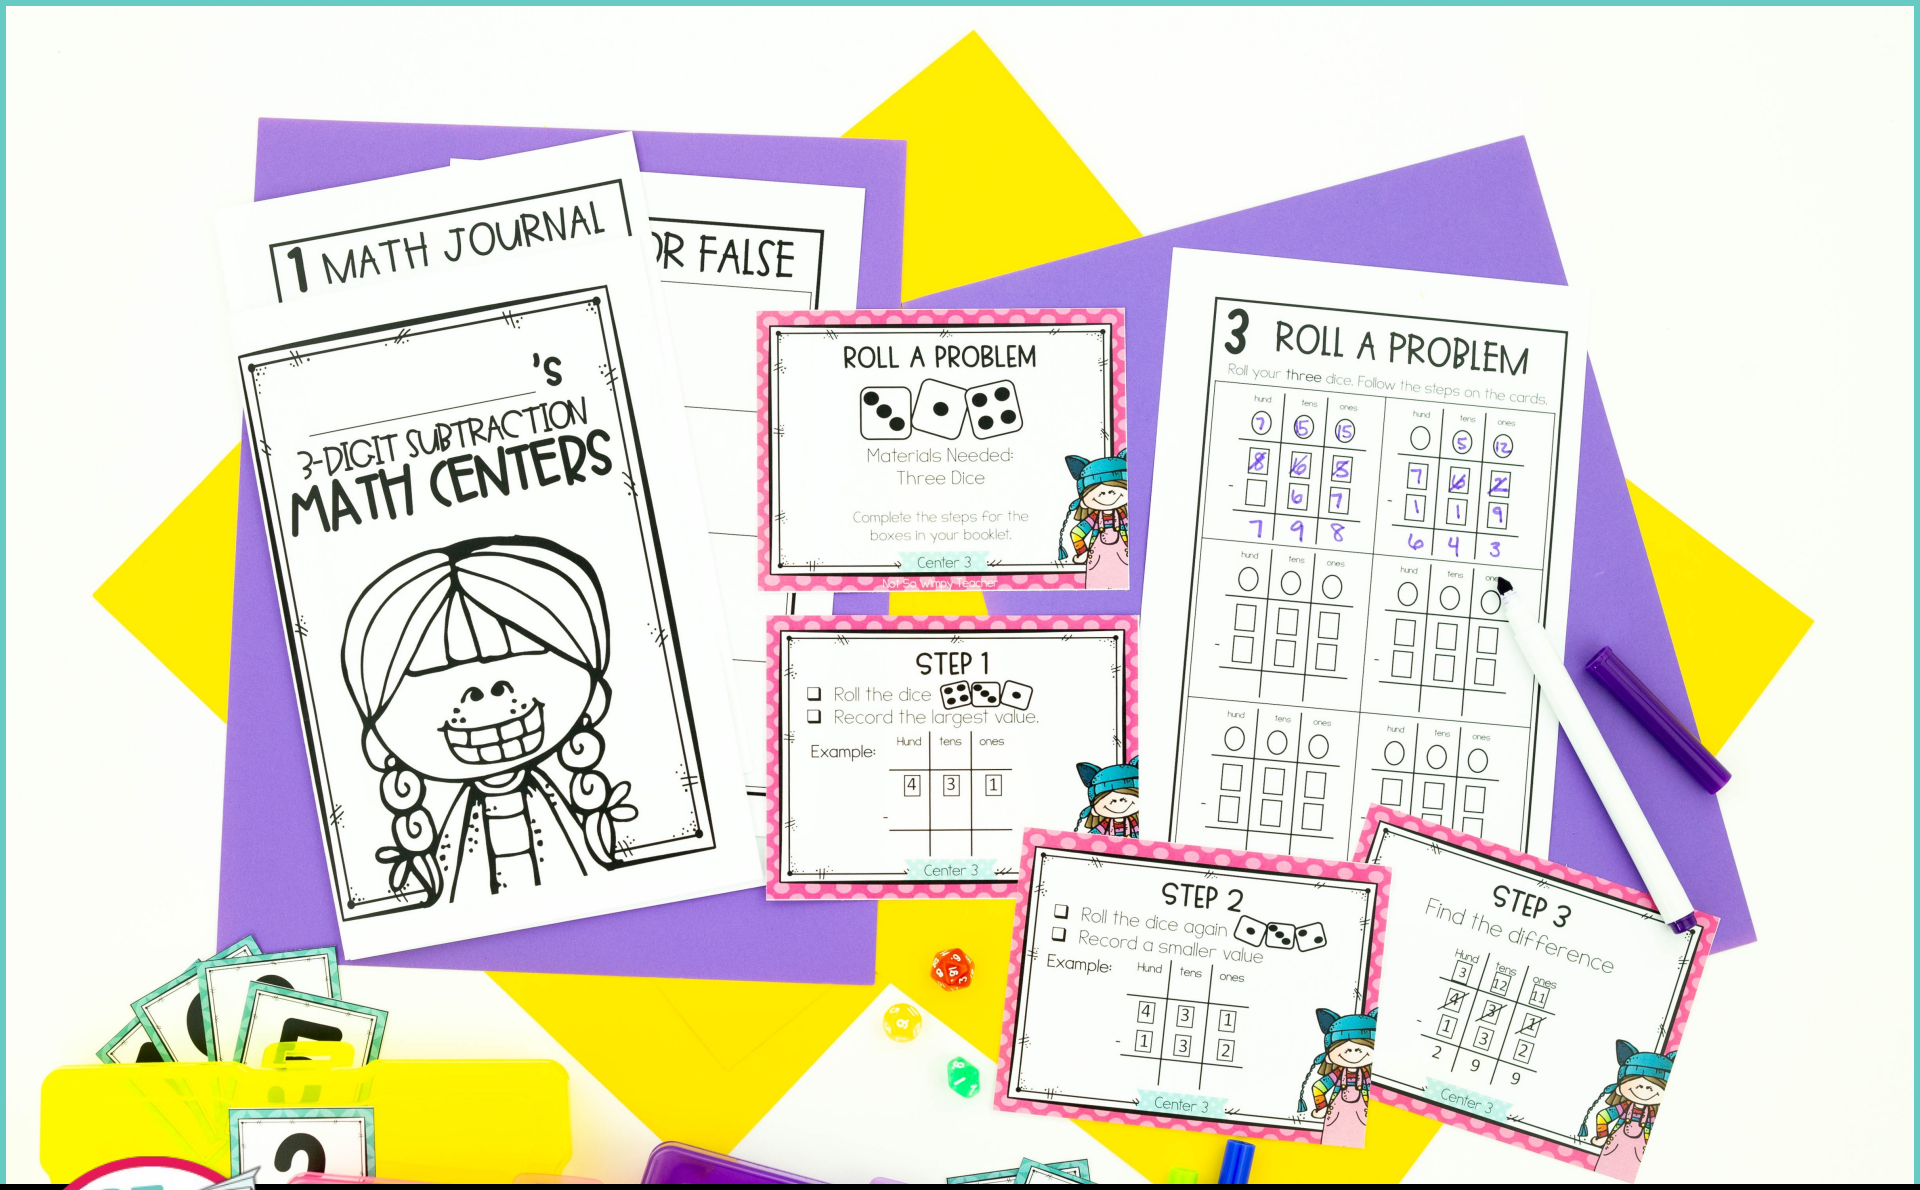

NOT SO wimpy Teacher

Teach with confidence; each day is fully planned for you with all the tools you need!

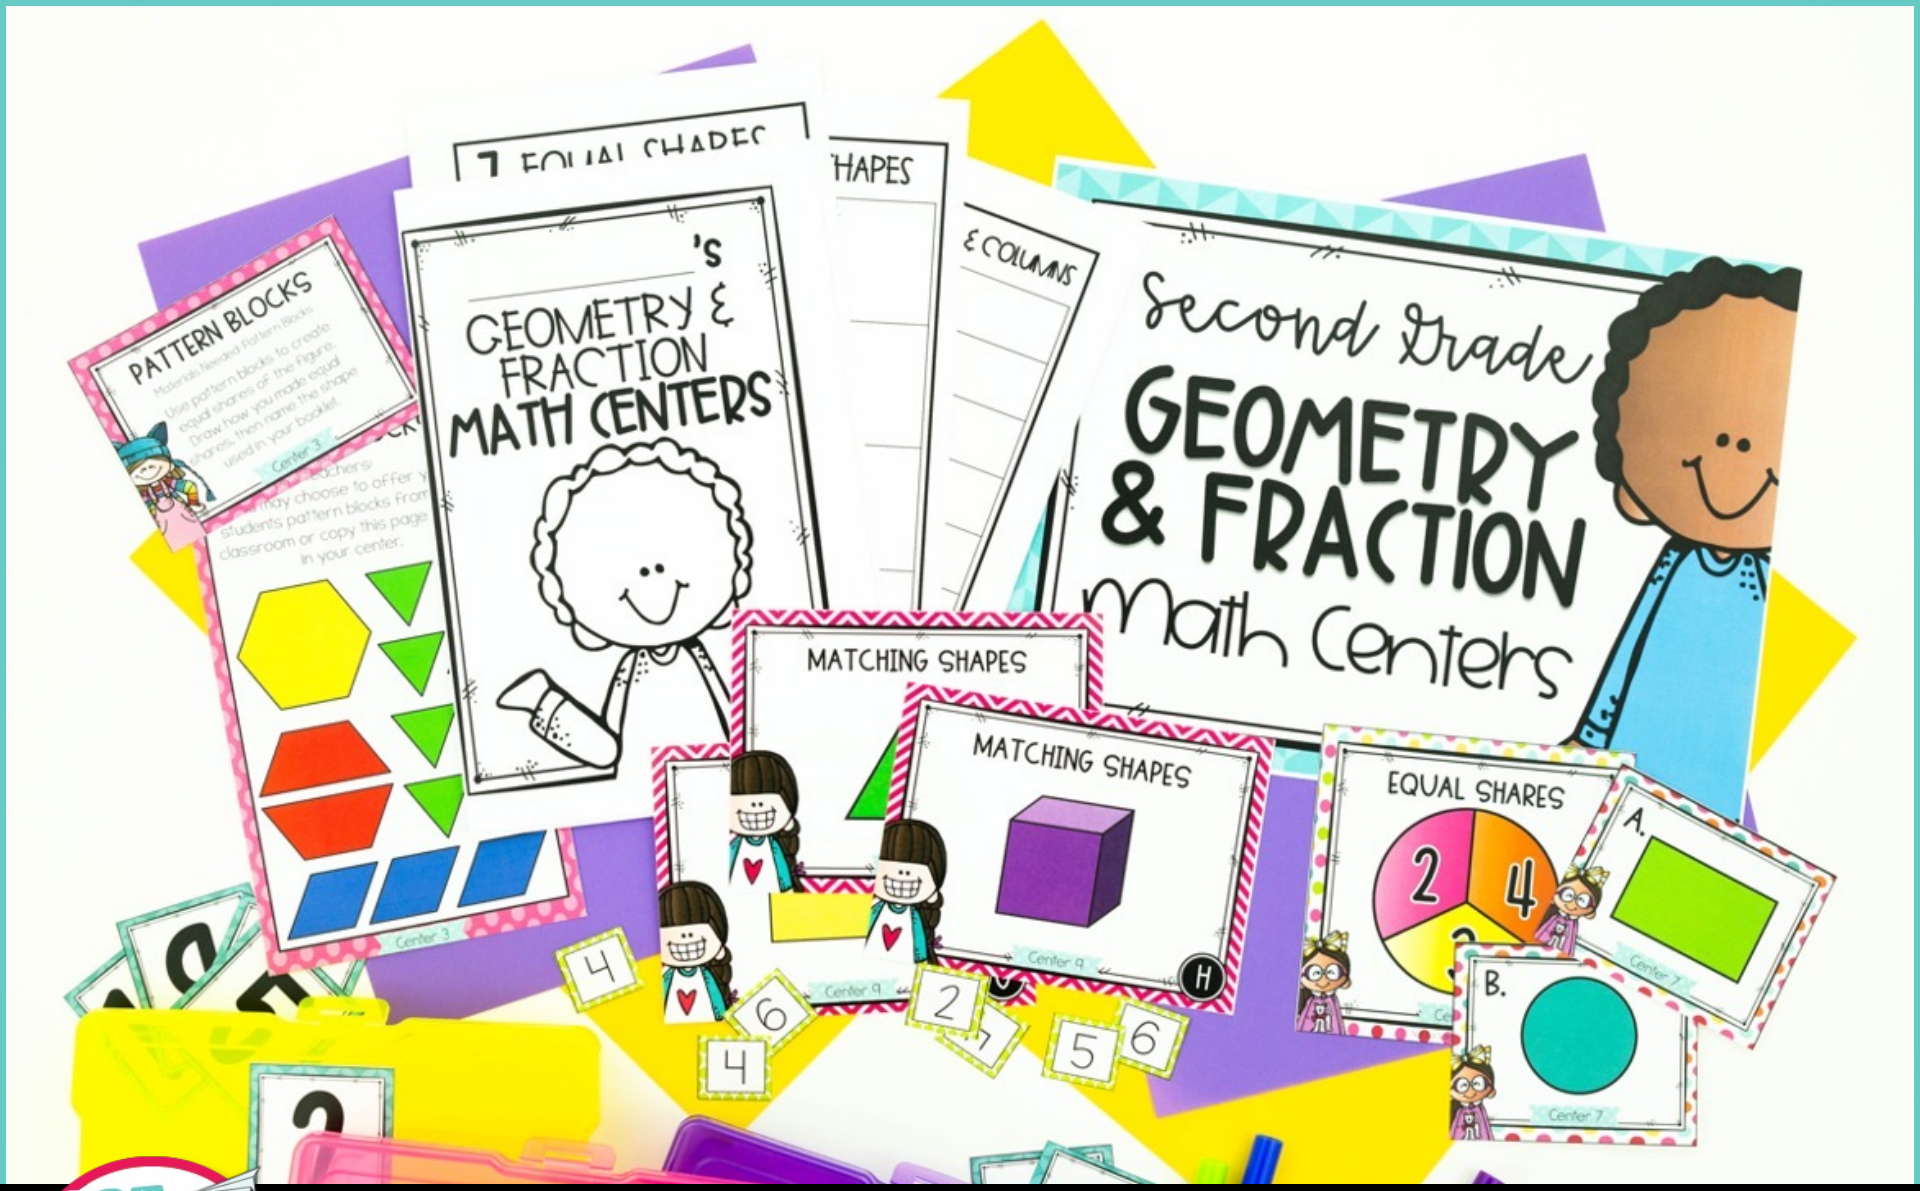

2nd Grade Math Centers Bundle

90 Hands-on and Engaging Math Centers

Student recording book designed to save paper and allows student choice
