These squid live in very shallow waters. They have suckers on their tentacles.

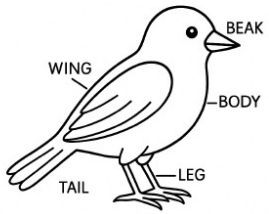

Oegopsida
These squid live in deeper waters. They have hooks on the end of their tentacles.

Text Images

Images in nonfiction text give us information.

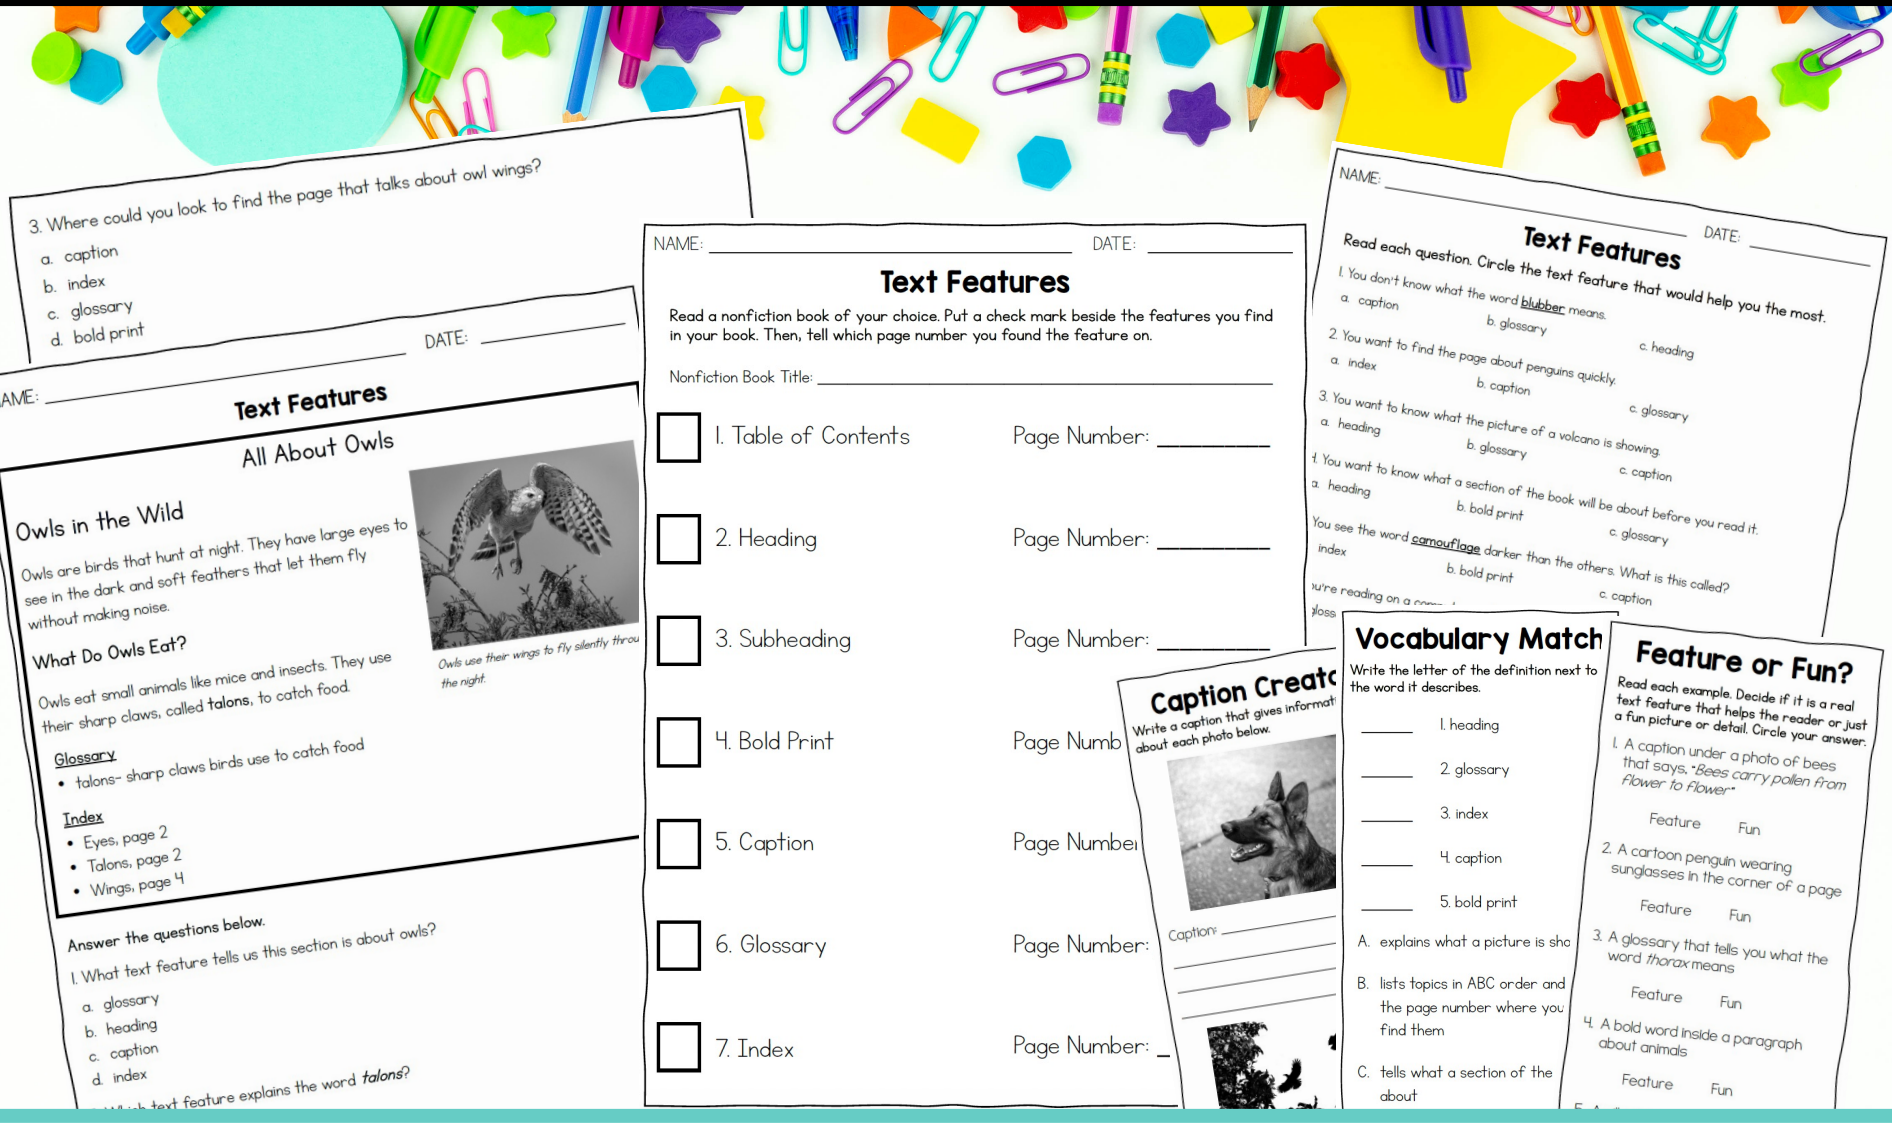

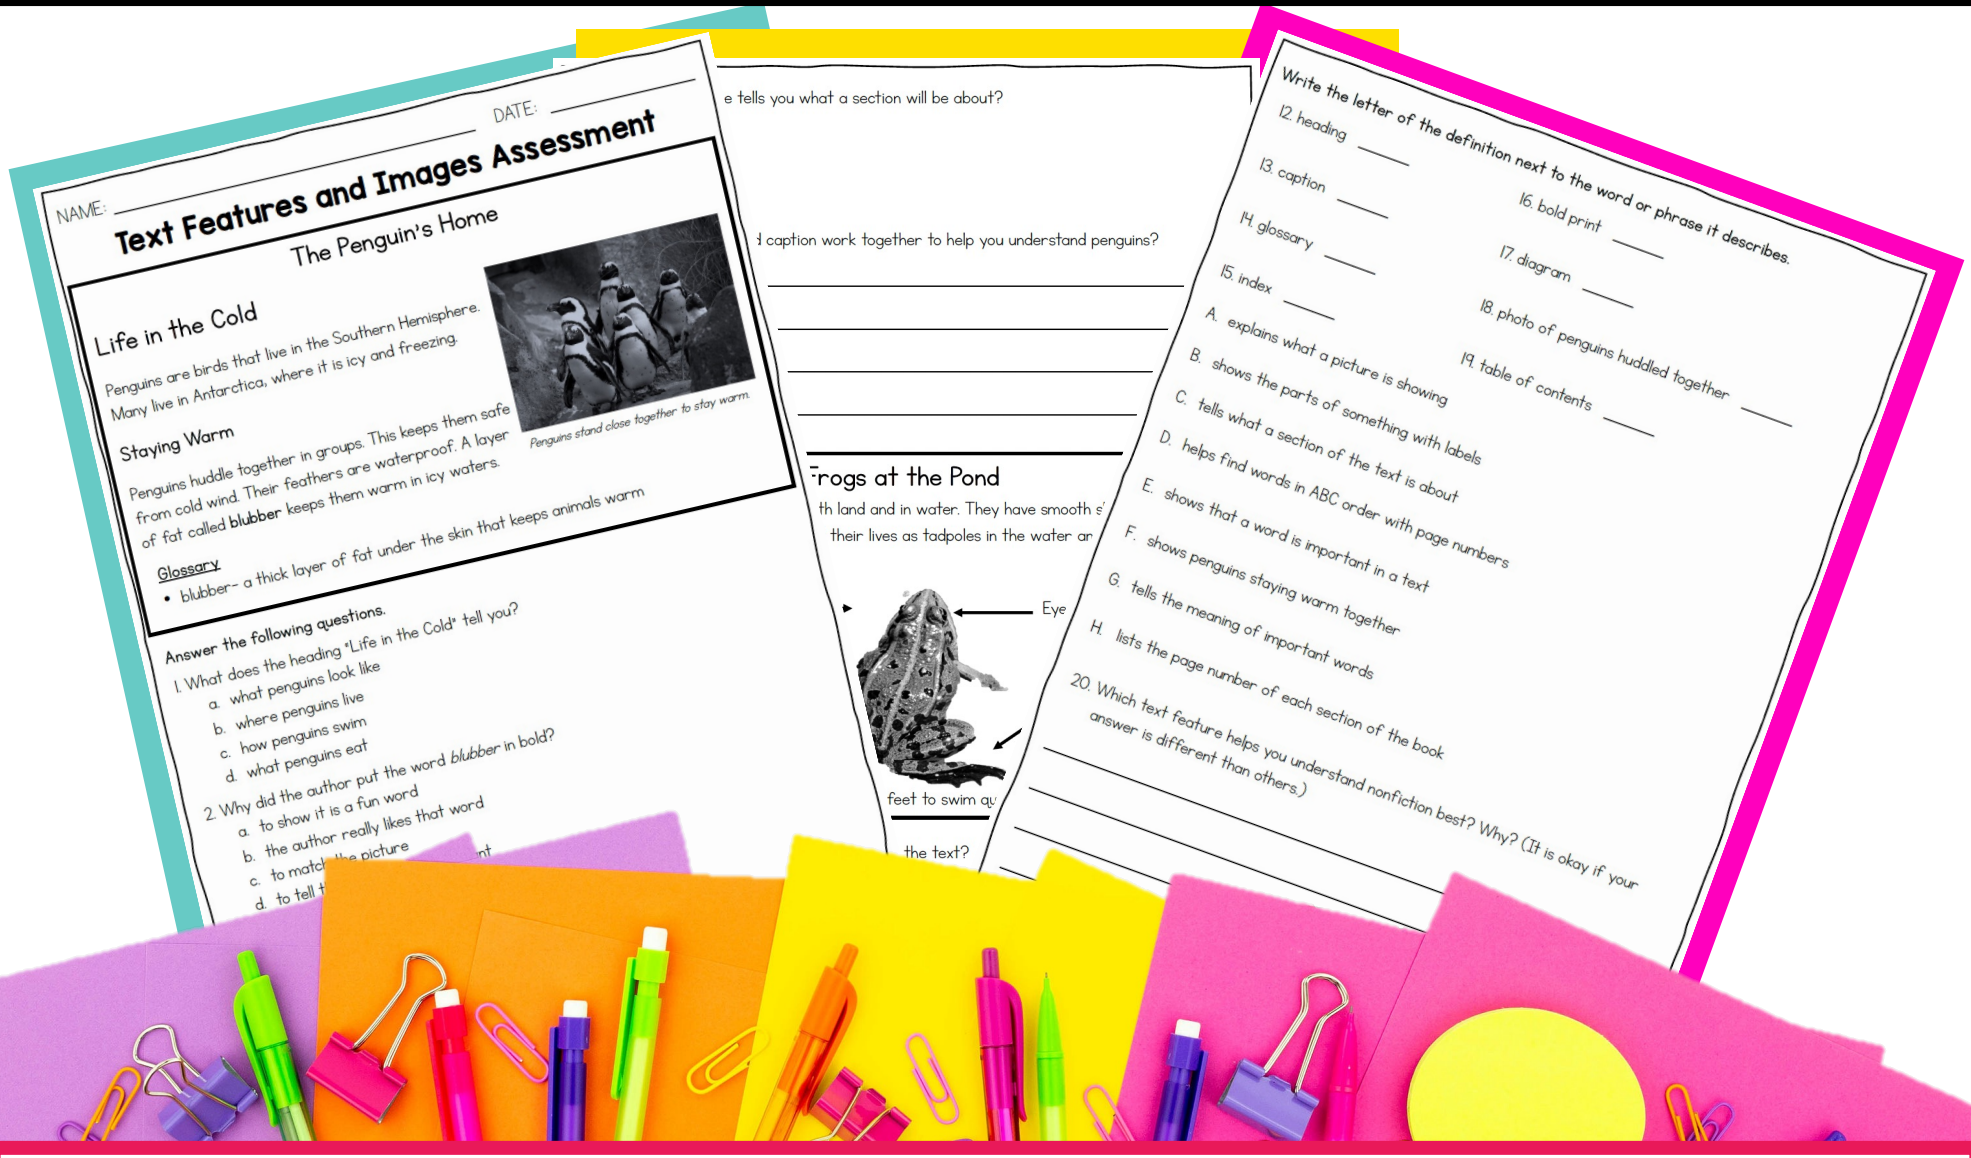

The first interactive notebook activity will review the skill introduced in the first PPT lesson. The second notebook activity asks students to use the skill to demonstrate understanding.

Practice Sheets

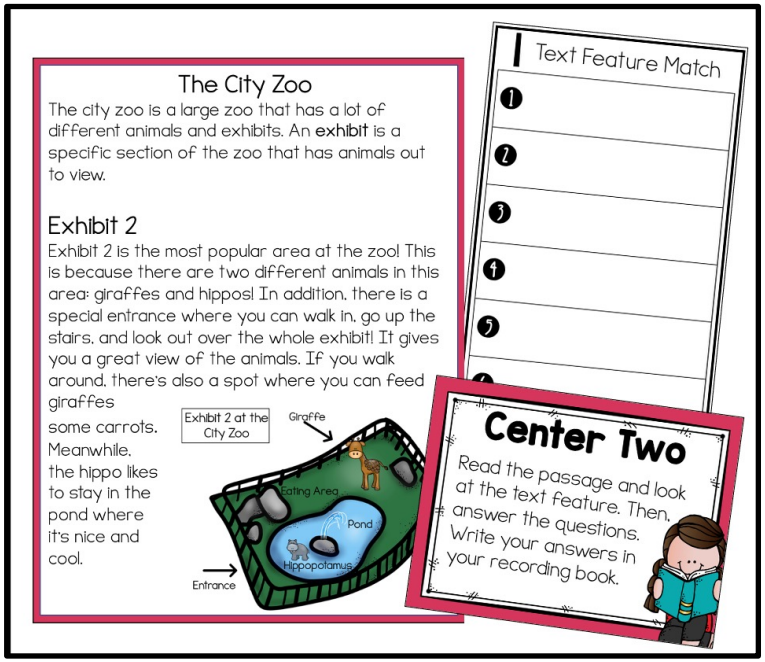

Students have multiple opportunities to practice the skill using the included original passages and on a story of your choosing.

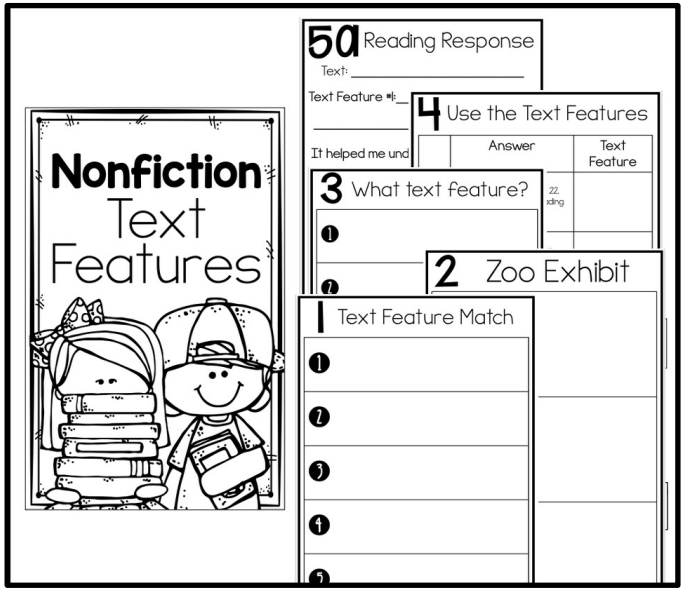

Assessments

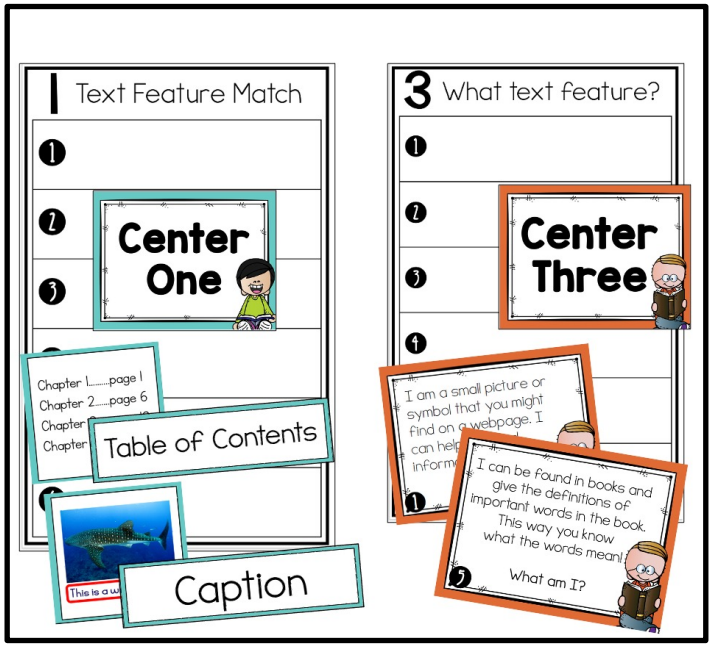

Check for student understanding with mid- and end-of-unit assessments.

Reading Centers

Five reading centers provide an engaging way for students to practice the skill independently.
